

A Few Facts about Bassetlaw

BASSETLAW – THRIVING, BEAUTIFUL AND IDEALLY LOCATED IN THE UK

Bassetlaw is an unspoilt, rural beauty spot, within three hours' drive of over half the UK's population. The northernmost District of Nottinghamshire covers almost a third of the County, situated between Derbyshire's coalfields, agricultural Lincolnshire and industrial South Yorkshire.

This central location, superb environment and quality of life, and flexible, hard working workforce, is attracting forward-looking small businesses which value the rural image, yet central location.
