Parish Council Support for the Publication Core Strategy

The Core Strategy once adopted will replace the Bassetlaw Local Plan and will guide development up to 2026.

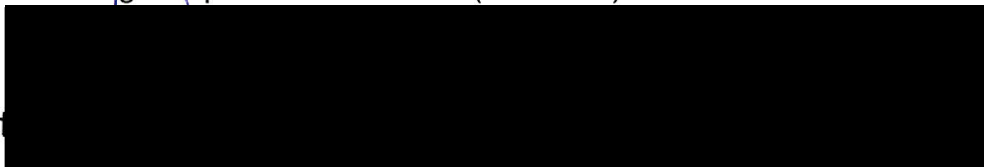

The Publication Core Strategy is the last chance for the Parish Council to comment on the development proposals outlined for Bassetlaw. It is important that the Council has the support of the Parish Councils or understands reasons for their objections.

Please return to the Planning Policy Team at Bassetlaw District Council by 5pm on Monday 20th December 2010. Representations received after this date may not be considered at examination.

Sturton le Steeple Parish Council have read the Publication Core Strategy and **support** the content of the document.

If you **do not support** the Publication Core Strategy please submit your comments on the Core Strategy and Development Management Policies Publication Stage Representation Form (enclosed).
