

Core Strategy and Development Management Policies Publication Stage Representation Form

Please return to Bassetlaw District Council by 5pm on Monday 20th December 2010

This form has two parts:

Part A – Personal Details

Part B – Your representation(s). Please fill in a separate sheet for each representation you wish to make.

Guidance on how to complete this form is provided on the final pages

PART A

1. Your details

2. Agents Details (if applicable)

Title	<input type="text" value="Mr"/>	<input type="text"/>
First Name	<input type="text"/>	<input type="text"/>
Last Name	<input type="text"/>	<input type="text"/>
Job Title	<input type="text" value="Northern Conservation Officer"/>	<input type="text"/>
Address line 1	<input type="text" value="Idle Valley Rural Learning Centre"/>	<input type="text"/>
Line 2	<input type="text" value="Great North Road"/>	<input type="text"/>
Line 3	<input type="text" value="Retford"/>	<input type="text"/>
Line 4	<input type="text"/>	<input type="text"/>
Postcode	<input type="text"/>	<input type="text"/>
Telephone Number	<input type="text"/>	<input type="text"/>
E-mail Address	<input type="text"/>	<input type="text"/>

If you would like your details to be added to our consultation database, please tick

PLEASE NOTE THAT THESE REPRESENTATIONS, INCLUDING YOUR CONTACT DETAILS, WILL BE PUBLIC DOCUMENTS.

PART B - Please use a separate sheet for each representation

Name or Organisation: **Nottinghamshire Wildlife Trust**.....

3. To which document does your representation relate?		
Core Strategy	Proposals Map	Sustainability Appraisal

4. To which part of the Core Strategy/Sustainability Appraisal does your representation relate?					
Paragraph Number(s)	5.7	Policy Number(s)	DM9	Diagram(s)	

5. Do you consider the document to be legally compliant*?
Yes

6. Do you consider the Core Strategy to be 'sound'*?
No

7. If you consider the Core Strategy to be 'unsound', please identify the test of soundness to which your representation relates.		
Justified	Effective	Consistent with National Policy

* The considerations in relation to the Core Strategy being 'sound' and 'legally compliant' are explained on the back page of this form.

8. Please give details of why you consider that the Core Strategy/Sustainability Appraisal/Proposals Map is not legally compliant or is unsound. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Core Strategy/Sustainability Appraisal/Proposals Map, please use this box to comment.

'where opportunities exist, development proposals provide improvements to the green infrastructure network that benefit biodiversity through the incorporation of retained habitats and by the creation of new areas of habitat;'

Proposals must provide targeted and significant Green Infrastructure that maximises biodiversity opportunities and protects and enhances existing ecological features (SINCs and wildlife corridors) and provide significant additional areas of GI to minimise the pressure on those ecological features. The creation and enhancement of Green Infrastructure through development must contribute to Biodiversity Action Plans to halt and reverse the decline in priority habitats and species. The aim should be to protect and enhance the natural environment and biodiversity by ensuring all new development does not have a negative impact, but a positive benefit for biodiversity. Policy 28 of The East Midlands Regional Plan (2009) states that Local Authorities should identify mechanisms for the creation and future management of Green Infrastructure, including through the planning system.

New BAP targets will be set for each of the principal habitats in Notts in spring 2011 and these could be referenced in the Core Strategy text with an identification of what might be contributed in Bassetlaw on a Natural Area basis.

9. Have you raised this issue during previous formal consultations? (tick as appropriate)

Yes (at Issues & Options)

Yes (at Preferred Options)

No If you have answered 'No', please explain why this issue has not been raised before:

10. With reference to your answer at 8 above, please outline the precise change that you consider to be necessary to make the Core Strategy/Sustainability Appraisal/Proposals Map legally compliant or sound. Please demonstrate *why* this change will make the Core Strategy/Sustainability Appraisal legally compliant or sound.

We recommend the development of a green infrastructure management plan for all retained and newly created habitats in order to maximise the biodiversity of new developments. The effectiveness of these plans should be reviewed on a five yearly basis. Developers should contribute financially to both the implementation and monitoring of the GI work related to their development site. In exceptional cases, it may be possible for developers to contribute to a pooled contribution for GI, if that would deliver significantly enhanced biodiversity gain than could be achieved through work on site, but a clear distinction must be made between essential mitigation and reasonable ecological compensation in such cases. Inadequate mitigation cannot be offset by compensatory habitat creation elsewhere.

--

11. If your representation is seeking a change to the Core Strategy or Sustainability Appraisal, do you consider it necessary for you to participate at the oral part of the examination or will this written response (to be submitted to the Inspector) be sufficient?

Please note that this written representation carries the same weight, and will be subject to the same scrutiny, as oral representations.

No, I do not wish to participate

Yes, I wish to participate

Signature

Date 12 November 2010

PLEASE RETURN THIS FORM BY 5PM ON MONDAY 20TH DECEMBER 2010 TO:

Planning Services, Bassetlaw District Council, Queens Buildings, Potter Street, Worksop,
S80 1AH or by email to future.plans@bassetlaw.gov.uk .

RESPONSE FORM GUIDANCE NOTES

Introduction

Bassetlaw District Council has published the Publication Core Strategy for representations from Monday 8 November 2010 to Friday 20th December 2010. Following the end of this period, all representations will be submitted to the Secretary of State, together with the final Core Strategy. A Planning Inspector appointed by the Secretary of State will then lead a public examination on the Core Strategy, and issue a binding report, before it is formally adopted by the District Council.

According to the Planning and Compulsory Purchase Act 2004 the purpose of the examination is to consider whether the Core Strategy is **legally compliant** and is **sound**. If you are seeking to make representations on the way in which Bassetlaw has prepared the Core Strategy, then your comments or objections will relate to a matter of **legal compliance**. If your representation is regarding the content of the Core Strategy, then it is likely that it will relate to whether the Core Strategy is **sound**.

Making Representations

If you wish to make a representation seeking a change to the Core Strategy or part of the Core Strategy you should make clear in what way the Core Strategy or part of the Core Strategy is not sound having regards to the tests of soundness (which are set out below). You should try to support your representation by evidence showing why the Core Strategy should be changed. It will be helpful if you also say precisely how you think the Core Strategy should be changed. Representations should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and suggested change, as there will not normally be a subsequent opportunity to make further submissions based on the original representation made at this stage. After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

Where there are groups who share a common view on how they wish to see a Core Strategy changed, it would be very helpful for that group to send a single representation which represents the view, rather than for a large number of individuals to send in separate representations that repeat the same points. In such cases, the group should indicate how many people it is representing and how the representation has been authorised.

Legal Compliance

You should consider the following before making a representation on legal compliance:

- The process of community involvement should be in accordance with the Council's Statement of Community Involvement 2009;
- For each stage of consultation and according to the regulations, the Council must make available the various documents that have helped produce and inform the various stages of the Core Strategy through the media, website, libraries and distributions of hard copies on request;
- Bassetlaw District Council is required to produce a Sustainability Appraisal Report when the Core Strategy is published;
- The Core Strategy should have regard to national planning policies, but its policies must not repeat guidance set out in national policy; and
- The Core Strategy must have regard to the Sustainable Communities Strategy for Bassetlaw.

Test of Soundness

The tests of soundness are that the Core Strategy should be:

- i) Justified - to be justified, the Core Strategy needs to be:
 - Founded on a robust and credible evidence base, involving evidence of participation by the community and stakeholders;
 - Choices made in the document must be backed by facts;
 - It must be the most appropriate strategy when considered against reasonable alternatives.

- ii) Effective - to be effective, the Core Strategy should be;
 - Deliverable;
 - Have a sound infrastructure delivery plan;
 - Have delivery partners who are signed up to it;
 - Coherent with the strategies of neighbouring authorities.

- iii) Consistent with National Planning Policy – to be consistent with National Planning Policy, the Core Strategy should be;
 - Justify its approach;
 - Justify a local need;
 - Has not repeated National Policy.
