**If you wish to support the legal compliance or soundness of the Core Strategy/Sustainability Appraisal/Proposals Map, please use this box to comment.**

We believe that the council should develop a Community Infrastructure Levy alongside specific Planning Obligation requirements to help fund biodiversity gain in the district and to help achieve targets set in The East Midlands Regional Plan (2009) and the Nottinghamshire BAP. When the council is considering any potential impact on the Birklands and Bilhaugh SAC and the Sherwood Forest pSPA and there is a need to mitigate for recreational impacts (through the provision of SANGS) a model is provided by the Dorset Heathland Joint DPD, whereby developers contribute towards a fund for the heathlands.

**9. Have you raised this issue during previous formal consultations? (tick as appropriate)**

Yes (at Issues & Options)

Yes (at Preferred Options)

No  If you have answered 'No', please explain why this issue has not been raised before:

**10. With reference to your answer at 8 above, please outline the precise change that you consider to be necessary to make the Core Strategy/Sustainability Appraisal/Proposals Map legally compliant or sound. Please demonstrate *why* this change will make the Core Strategy/Sustainability Appraisal legally compliant or**

**sound.**

Fulfilment of requirements ref to NERC Duty, PPS9 and the Cons Regs.

**11. If your representation is seeking a change to the Core Strategy or Sustainability Appraisal, do you consider it necessary for you to participate at the oral part of the examination or will this written response (to be submitted to the Inspector) be sufficient?**

*Please note that this written representation carries the same weight, and will be subject to the same scrutiny, as oral representations.*

No, I do not wish to participate	<input checked="" type="checkbox"/>	Yes, I wish to participate	<input type="checkbox"/>

## RESPONSE FORM GUIDANCE NOTES

### Introduction

Bassetlaw District Council has published the Publication Core Strategy for representations from Monday 8 November 2010 to Friday 20th December 2010. Following the end of this period, all representations will be submitted to the Secretary of State, together with the final Core Strategy. A Planning Inspector appointed by the Secretary of State will then lead a public examination on the Core Strategy, and issue a binding report, before it is formally adopted by the District Council.

According to the Planning and Compulsory Purchase Act 2004 the purpose of the examination is to consider whether the Core Strategy is **legally compliant** and is **sound**. If you are seeking to make representations on the way in which Bassetlaw has prepared the Core Strategy, then your comments or objections will relate to a matter of **legal compliance**. If your representation is regarding the content of the Core Strategy, then it is likely that it will relate to whether the Core Strategy is **sound**.

### Making Representations

If you wish to make a representation seeking a change to the Core Strategy or part of the Core Strategy you should make clear in what way the Core Strategy or part of the Core Strategy is not sound having regards to the tests of soundness (which are set out below). You should try to support your representation by evidence showing why the Core Strategy should be changed. It will be helpful if you also say precisely how you think the Core Strategy should be changed. Representations should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and suggested change, as there will not normally be a subsequent opportunity to make further submissions based on the original representation made at this stage. After this stage, further submissions will be only at the request of the Inspector, based on the matters and issues he/she identifies for examination.

Where there are groups who share a common view on how they wish to see a Core Strategy changed, it would be very helpful for that group to send a single representation which represents the view, rather than for a large number of individuals to send in separate representations that repeat the same points. In such cases, the group should indicate how many people it is representing and how the representation has been authorised.

### Legal Compliance

You should consider the following before making a representation on legal compliance:

- The process of community involvement should be in accordance with the Council's Statement of Community Involvement 2009;
- For each stage of consultation and according to the regulations, the Council must make available the various documents that have helped produce and inform the various stages of the Core Strategy through the media, website, libraries and distributions of hard copies on request;
- Bassetlaw District Council is required to produce a Sustainability Appraisal Report when the Core Strategy is published;
- The Core Strategy should have regard to national planning policies, but its policies must not repeat guidance set out in national policy; and
- The Core Strategy must have regard to the Sustainable Communities Strategy for Bassetlaw.

## **Test of Soundness**

The tests of soundness are that the Core Strategy should be:

- i) Justified - to be justified, the Core Strategy needs to be:
  - Founded on a robust and credible evidence base, involving evidence of participation by the community and stakeholders;
  - Choices made in the document must be backed by facts;
  - It must be the most appropriate strategy when considered against reasonable alternatives.
- ii) Effective - to be effective, the Core Strategy should be;
  - Deliverable;
  - Have a sound infrastructure delivery plan;
  - Have delivery partners who are signed up to it;
  - Coherent with the strategies of neighbouring authorities.
- iii) Consistent with National Planning Policy – to be consistent with National Planning Policy, the Core Strategy should be;
  - Justify its approach;
  - Justify a local need;
  - Has not repeated National Policy.
