

APPENDIX C2

Summary Table

[Landscape Character Parcels into Draft Policy Zones]

Sherwood

RATIONALE FOR AMALGAMATION OF LCP's INTO DPZ's – NORTH OF RIVER MAUN VALLEY
(working south to north of the county)

Policy Zone	LCP AND MLA REFERENCE		LDU REF	CULTURAL NAME If given	SUMMARY OF LAND USE	REASON FOR AMALGAMATION	REASON FOR RETENTION AS DISTINCT UNIT
	LCP Ref.	MLA Ref.					
20	29	82	389	Meadowlands with Plantations	LFB MEP		MLA
	44	82	183	Estate Farmlands	RSD NEP		MLA
	31	82	389	Meadowlands with Plantations	LFB MEP		MLA
21	41	52	384	Estatelands with Plantations	RSD PEP		MLA
	26	52	87	Meadowlands with Plantations	LFB MEP		MLA
	43	52	350	Estate Farmlands	RSD NEP		MLA
22		77	332	Estatelands with Plantations	RSD PEP		MLA
		77	183	Estate Farmlands	RSD NEP		MLA

23	62	80	384	Wooded Estatelands	RSD PEP			MLA
24	58	79	384	Wooded Estatelands	RSD PEP			MLA

CONDITION AND SENSITIVITY UNIT	LCP	LDU REF	CULTURAL NAME If given	SUMMARY OF LAND USE	REASON FOR AMALGAMATION	REASON FOR RETENTION AS DISTINCT UNIT
25	23	339	Wooded Estatelands	SSO PES	No pattern recorded	
	24	339	Wooded Estatelands	SSO PES	50% arable 50% forestry	• Same LDU • Similar land uses – coniferous plantation or intensive arable farming
	25	339	Wooded Estatelands	SSO PES	50% woodland 25% arable 25% mining	
26	32	341	Estate Farmlands	RSD NEP	50% woodland 50% arable fields with wooded areas	• Separate LDU to adjacent areas • Would be linked with DPZ 27A but separated by the Maun Valley

27	70	101	Estate Farmlands	RSD NEP	> 75% modified	Same LDU Type	Would be linked with DPZ 27A but separated by the Maun Valley
	44 (not inc. MLA area)	183	Estate Farmlands	RSD NEP	75% geometric fields		
28	29 (not inc. MLA area)	389	Meadowlands with Plantations	LFB MEP	Mixed use	Same LDU	
	30	389	Meadowlands with Plantations	LFB MEP	No pattern recorded	Linked geographical feature – River Maun / Meden Valley	
	31 (not inc. MLA area)	389	Meadowlands with Plantations	LFB MEP	No pattern recorded		
29	36 69	346 346	Wooded Estatelands Wooded Estatelands	SSD PES SSD PES	Mixed use > 75% Plantation	Same LDU	
30	34	213	Estatelands with Plantations	RSD PEP	Mixed use		Separate LDU to adjacent areas

31	37, 38 & 61	334	Wooded Estatelands	SSD PES	>75% plantation		
32	35	349	Wooded Estatelands	SSD PES	> 75% Parkland		Same LDU as adjacent area but much greater percentage of parkland as opposed to plantation woodlands
33	33	349	Wooded Estatelands	SSD PES	> 75% geometric fields 25% woodland		- Same LDU and same land use as DPZ 34A – intensive arable farmland and coniferous plantations but separated by River Poulter Valley - DPZ 32A remains separate due to higher percentage of parkland

34	82	349	Wooded Estatelands	SSD PES	> 75% geometric fields 25% woodland		- Same LDU and same land use as DPZ 33A – intensive arable farmland and coniferous plantations but separated by River Poulter Valley - DPZ 32A remains separate due to higher percentage of parkland
35	42 43 (not inc. MLA area)	350 350	Estate Farmlands Estate Farmlands	RSD NEP RSD NEP	> 75% geometric fields mixed use including former colliery	- Same LDU - Separated from DPZ 26A and 27A by River Maun Valley	

36	26 (not inc. MLA area)	87	Meadowlands with Plantations	LFB MEP			Distinct geographical feature (River Poulter Valley)
						• Same LDU • Same land use – intensive arable	
13	64	333	Estatelands with Plantations	RSD PEP	> 75% geometric fields	• Same land use – intensive arable agriculture	
38	61 65	333 332	Estatelands with Plantations Estatelands with Plantations	RSD PEP RSD PEP	> 75% geometric fields > 75% geometric fields	• Separated from adjacent similar areas by valley of River Ryton	
38	68	388	Meadowlands	SSD PSS	Mixed use		Distinct geographical feature – River Ryton Valley

39	60 (not inc. MLA area)	183	Estate Farmlands	RSD NEP	60% arable 30% woodland 10% pasture		Not physically linked to DPZ 27A which has some LDU type
40	41 (not inc. MLA area)	384	Estatelands with Plantations	RSD PEP	> 75% geometric fields		
	59	384	Estatelands with Plantations	RSD PEP	> 75% geometric fields		
	62 (not inc. MLA area)	384	Estatelands with Plantations	RSD PEP	mixed use		
	58 (not inc. MLA area)	384	Estatelands with Plantations	RSD PEP	> 75% geometric fields		
	40	384	Estatelands with Plantations	RSD PEP	mixed use		
	83	384	Estatelands with Plantations	RSD PEP	> 75% geometric fields		

Policy Zone	LCP AND MLA REFERENCE		LDU REF	CULTURAL NAME If given		REASON FOR AMALGAMATION	REASON FOR RETENTION AS DISTINCT UNIT
	LCP REF	MLA REF

54	56	54	372	River Meadowlands	LWG MFG		MLA
55	54 55		393 355	Village Farmlands Village Farmlands	RMB NFT LMG NFG	Same landscape sub type	
56	53 + 56		372	River Meadowlands	LWG MFG		Distinct geographical feature - river valley
57	57		102	Village Farmlands	RMG NFG		Separate LDU and landscape sub type to adjacent areas

**Bassetlaw Landscape Character Assessment
Magnesian Limestone Ridge**

APPENDIX C3

Summary Table

[Landscape Character Parcels into Draft Policy Zones]

Magnesian Limestone Ridge

Magnesian Limestone Ridge [ML] – LCP Summary

LDU REF	LCP REF	LANDFORM	LANDCOVER		HISTORIC PATTERN				DPZ REF	REASON FOR AMALGAMATION	REASON FOR RETAINING AS DISTINCT UNIT
			Land Use	Woodland Cover	Pattern Type	Field Boundary	Transport Pattern	Settlement			
111	ML01	- Gently undulating <i>Plateau</i>	- Open farmland - Arable farmland <i>Farmland with woods</i> <i>Pastoral farmland</i> <i>Wetland</i>	- Fragmented - Hedge	- Planned - Mixed use	- Straight/curving boundaries - Small-medium fields	- A roads - C roads - Tracks - Railway - Generally straight - Variable verges	Country house	ML01	N/A	Overall Landscape character and features are distinct from adjacent LCP [2], including woodland cover and field boundaries.
111	ML02	- Flat - Valley side <i>Stream</i>	- Open farmland - Arable farmland <i>Village</i>	- Hedge - Ditches - No woodland cover	- Planned 75% geometric fields	- Straight boundaries - Medium fields	- A roads - B roads - Tracks - Generally straight - Variable verges	- Non-vernacular - Vernacular	ML02	N/A	Overall landscape character and features are distinct from adjacent LCPs [2 and 3], no woodland cover and poor field boundaries.
359	ML03	- Flat <i>Valley side</i> <i>Stream</i>	- Open farmland - Arable farmland <i>Pastoral farmland</i> - Broadleaved forestry - Woodland - Parkland	<i>Fragmented</i> - Hedge <i>Tree line, belts</i>	- Planned - Mixed use	- Straight boundaries - Large fields	- A roads - B roads - Tracks - Generally straight - Uniform verges	Country house	ML03	N/A	LCP includes Hermeton Hall and associated parkland, a distinct feature from adjacent LCPs [2 and 4].
359	ML04	<i>Gently undulating</i>	<i>Farmland with trees</i> - Arable farmland <i>Woodland</i>	<i>Fragmented</i> <i>Hedgerows [with trees]</i>	- Planned 75% geometric fields	- Straight boundaries - Medium fields	- A roads - C roads - Generally straight - Uniform verges	<i>Vernacular</i>	ML04	Similar attributes to LCP 6.	N/A
359	ML05	Gently undulating	<i>Open farmland</i> <i>Arable farmland</i> - Woodland - Open water <i>Recreation/amenity</i> - Mineral workings	- Interlocking - Hedge	- Planned - Mixed use	- Straight boundaries - Medium fields	- B roads - Tracks - Generally winding - Uniform verges		ML05	N/A	LCP would be amalgamated with adjacent LCPs [4 and 6] if not for Langold Country Park, a distinct feature of this LCP therefore worthy of a separate DPZ.
359	ML06	- Gently undulating <i>Stream</i>	- Open farmland - Arable farmland <i>Woodland</i> <i>Industrial</i>	<i>Hedgerows [with trees]</i>	- Planned 75% geometric fields	- Straight boundaries - Medium fields	- Tracks - Generally straight - Uniform verges	<i>Vernacular</i>	ML04	Similar attributes to LCP 4.	N/A
359	ML07	Flat	- Open farmland <i>Pastoral farmland</i> <i>Arable farmland</i> - Woodland <i>Parkland</i>	- Extensive <i>Hedgerows [with trees]</i> - Tree line, belts	- Planned - Mixed use	- Straight boundaries - Medium fields	- A roads - Tracks - Generally straight - Uniform verges	Vernacular	ML06	Similar attributes to LCPs 8 and 9. Separated initially for LCA work due to size of area.	N/A

[N.B. Plain text denotes dominant or prominent characteristics, italics denote apparent or insignificant characteristics.]

Magnesian Limestone Ridge [ML] – LCP Summary

LDU REF	LANDFORM	LANDCOVER		HISTORIC PATTERN				DPZ REF	REASON FOR AMALGAMATION	REASON FOR RETAINING AS DISTINCT UNIT
		Land Use	Woodland Cover	Pattern Type	Field Boundary	Transport Pattern	Settlement			
359	• Flat • Gently undulating	• Open farmland • Arable farmland • Rough grazing • Woodland	• <i>Fragmented</i> • Hedgerows [with trees]	• Planned • 75% geometric fields	• Straight boundaries • Medium fields	• A roads • C roads • Generally straight • Uniform verges	• <i>Vernacular</i>	ML08	Similar attributes to LCPs 7 and 9. Separated initially for LCA work due to size of area.	N/A
359	• Flat	• Open farmland • Conifer forestry • Woodland	• Interlocking • Hedgerows [with trees]	• Planned • 75% geometric fields	• Straight boundaries • Medium fields	• C roads • Tracks • Generally straight • Uniform verges		ML06	Similar attributes to LCPs 7 and 8. Separated initially for LCA work due to size of area.	N/A
209	• Gently undulating	• Open farmland • Arable farmland • Woodland • Parkland	• <i>Fragmented</i> • Hedgerows [with trees] • Walls • Fences	• Planned • Mixed use	• Straight boundaries • Medium fields	• B roads • C roads • Tracks • Generally straight • Uniform verges	• Country house	ML07	N/A	LCP encompasses a number of listed buildings including Gateford Hall and associated parkland, a distinct feature of this LCP.
360	• Flat	• Open farmland • Arable farmland • Woodland • Village • Mineral workings	• <i>Fragmented</i> • Hedgerows [with trees] • Fences	• Planned • Mixed use	• Straight boundaries • Large fields	• A roads • C roads • Straight and winding • Uniform verges	• Hamlet	ML08	N/A	Overall landscape character and features are distinct from adjacent LCPs, including Shireoaks village.
360	• Flat • River • Stream	• Open farmland • Pastoral farmland • Arable farmland • Woodland • Open water • Village • Recreation/amenity • Industrial	• <i>Fragmented</i> • Fences • Tree line, belts	• Planned • Mixed use	• Straight boundaries • Small fields	• C roads • Generally winding • Uniform verges	• Hamlet	ML09	N/A	Overall landscape character and features are distinct from adjacent LCPs, including the Chesterfield Canal corridor and associated marina, Shireoaks Fishing Pond, Shireoaks Water Garden [both SINC[s] and Shireoaks Village Conservation Area.
360	• Strongly undulating	• Woodland • Mineral workings • Industrial	• <i>Fragmented</i> • Fences	• Planned • 75% modified	• No boundaries • Large fields	• A roads • B roads • Railway • Generally straight • Uniform verges		ML10	N/A	Overall landscape character and features are distinct from adjacent LCPs, including spoil tip which dominates the LCP.
360	• Flat	• Open farmland • Arable farmland • Woodland • Parkland • Open water	• <i>Fragmented</i> • Hedge • Tree line, belts	• Planned • 75% geometric fields	• Straight boundaries • Large fields	• C roads • Tracks • Generally winding • Uniform verges		ML11	Similar attributes to LCPs 15, 16, 17 and 18. Separated initially for LCA work due to size of area.	N/A
360	• Flat • Stream	• Open farmland • Arable farmland • Pastoral farmland • Woodland • Industrial	• <i>Fragmented</i> • Hedge • Tree line, belts	• Planned • 75% geometric fields	• Straight and curving boundaries • Large fields	• C roads • Tracks • Generally straight • Uniform verges	• Non-vernacular	ML11	Similar attributes to LCPs 14, 16, 17 and 18. Separated initially for LCA work due to size of area.	N/A

[N.B. Plain text denotes dominant or prominent characteristics, italics denote apparent or insignificant characteristics.]

Magnesian Limestone Ridge [ML] – LCP Summary

LDU REF	LANDFORM	LANDCOVER		HISTORIC PATTERN				DPZ REF	REASON FOR AMALGAMATION	REASON FOR RETAINING AS DISTINCT UNIT
		Land Use	Woodland Cover	Pattern Type	Field Boundary	Transport Pattern	Settlement			
360	- Gently undulating - River	- Open farmland - Arable farmland - Pastoral farmland - Nursery - Woodland - Suburban - Disturbed	- Fragmented - Hedgerows [with trees]	- Planned 75% geometric fields	- Straight boundaries - Small and large fields	- A roads - Tracks - Generally straight - Uniform verges	- Town - Country house	ML11	Similar attributes to LCPs 14, 15, 17 and 18. Separated initially for LCA work due to size of area.	N/A
360	- Flat - River	- Open farmland - Arable farmland - Pastoral farmland - Allotments - Open water - Recreation or amenity	- Fragmented - Hedgerows [with trees] - Fences	- Planned - Mixed use	- Straight boundaries - Small fields	- C roads - No verges		ML11	Similar attributes to LCPs 14, 15, 16 and 18. Separated initially for LCA work due to size of area.	N/A
360	- Gently undulating - Stream	- Farmland with woods - Arable farmland - Pastoral farmland	- Fragmented - Hedge - Hedgerows [with trees] - Ditches - Tree line, belts	- Planned 75% geometric fields	- Straight boundaries - Medium and large fields	- A roads - B roads - C roads - Generally straight - Uniform verges	Country house	ML11	Similar attributes to LCPs 14, 15, 16 and 17. Separated initially for LCA work due to size of area.	N/A
211	- Gently undulating - Stream	- Open farmland - Arable farmland - Woodland - Open water	- Interlocking - Tree line, belts	- Planned 75% open field system	- No/straight boundaries - Large fields	- Tracks - Generally straight - No verges	Country house	ML12	Similar attributes to LCPs 20 and 21. Separated initially for LCA work due to size of area.	N/A
211	Flat	- Open farmland - Arable farmland - Pastoral farmland - Woodland - Open water - Village - Commercial	- Interlocking - Walls - Hedges - Tree line, belts	- Planned - Mixed use	- Straight boundaries - Small and medium fields	- C roads - Tracks - Generally straight - Uniform verges	- Isolated - Country house	ML12	Similar attributes to LCPs 19 and 21. Separated initially for LCA work due to size of area.	N/A
211	- Flat - Gently undulating - Stream	- Open farmland - Arable farmland - Woodland - Parkland - Open water - Village	- Fragmented - Hedges - Tree line, belts	- Planned 75% open field system	- No boundaries - Large fields	- C roads - Tracks - Generally straight - Uniform verges		ML12	Similar attributes to LCPs 19 and 20. Separated initially for LCA work due to size of area.	N/A

[N.B. Plain text denotes dominant or prominent characteristics, italics denote *apparent* or *insignificant* characteristics.]

Magnesian Limestone Ridge [ML] – LCP Summary

LDU REF	LANDFORM	LANDCOVER		HISTORIC PATTERN				DPZ REF	REASON FOR AMALGAMATION	REASON FOR RETAINING AS DISTINCT UNIT
		Land Use	Woodland Cover	Pattern Type	Field Boundary	Transport Pattern	Settlement			
216	ML22	- Open farmland - Arable farmland - Woodland - Parkland - Village	- Hedges - Tree line, belts	- Planned 75% geometric fields	- Straight boundaries - Medium and large fields	- A roads - B roads - C roads - Tracks - Generally straight and winding - Uniform verges	- Hamlet - Isolated - Country house	ML13	Similar attributes to LCPs 23, 24 and 25. Separated initially for LCA work due to size of area.	N/A
369	ML23	- Open farmland - Arable farmland - Pastoral farmland - Woodland	- Fragmented - Hedges - Tree line, belts	- Planned 75% geometric fields	- Straight boundaries - Medium fields	- A roads - B roads - C roads - Generally straight - Uniform verges	Country house	ML13	Similar attributes to LCPs 22, 24 and 25. Separated initially for LCA work due to size of area.	N/A
215	ML24	- Open farmland - Woodland - Village	- Fragmented - Hedges	- Planned 75% geometric fields	- Straight boundaries - Medium fields	- B roads - Tracks - Generally straight - Uniform verges	Hamlet	ML13	Similar attributes to LCPs 22, 23 and 25. Separated initially for LCA work due to size of area.	N/A
216	ML25	- Open farmland - Arable farmland - Pastoral farmland - Village - Industrial	- Hedgerow [with trees] - Hedges - Tree line, belts	- Planned 75% geometric fields	- Straight boundaries - Medium fields	- A roads - B roads - Generally straight - Uniform verges	- Hamlet - Country house	ML13	Similar attributes to LCPs 22, 23 and 24. Separated initially for LCA work due to size of area.	N/A
216	ML26	- Open farmland - Arable farmland - Pastoral farmland - Woodland - Open water - Village	- Fragmented - Hedgerows [with trees] - Hedges - Tree line, belts	- Planned 75% geometric fields	- Straight boundaries - Medium fields	- A roads - B roads - Tracks - Generally straight - Uniform verges	Hamlet	ML14	Similar attributes to LCP 27. Separated initially for LCA work due to size of area.	N/A

Mid-Nottinghamshire Farmlands [MN] – LCP Summary

LDU REF	LCP REF	LANDFORM	LANDCOVER		HISTORIC PATTERN				DPZ REF	REASON FOR AMALGAMATION	REASON FOR RETAINING AS DISTINCT UNIT
			Land Use	Woodland Cover	Pattern Type	Field Boundary	Transport Pattern	Settlement			
357	MN17	Flat	- Arable farmland - Farmland with trees <i>Pastoral farmland</i> - Village <i>Industrial</i>	<i>Fragmented</i> - Hedgerows [trees and shrubs] <i>Ditches</i>	- Planned 75% geometric fields	- Straight boundaries - Small and medium fields	- C roads - Tracks - Generally straight - Uniform/ditched verges	- Village - Isolated	MN07	N/A	Overall landscape character and features are distinct from adjacent LCPs, including topography and land use.
			- Mixed farmland - Farmland with trees - Woodland - Open water <i>Recreation or amenity</i> <i>Commercial</i>	- Linear <i>Fragmented</i> <i>Hedge [shrubs]</i> - Hedgerows [trees and shrubs] <i>Ditches</i> <i>Fences</i>	Planned	- Straight boundaries - Small and medium fields	- B roads - Tracks - Generally straight - Variable/uniform/ditched verges				
175	MN18	Flat Stream	- Open arable farmland <i>Pastoral farmland</i> - Woodland - Village	- Extensive - Hedge [shrubs] - Hedgerows [trees and shrubs] <i>Ditches</i> <i>Fences</i>	- Planned 75% geometric field	- Straight boundaries - Medium and large fields	- B roads - Tracks - Railway - Generally straight - Variable/ditched verges	- Village - Isolated	MN08	Similar attributes to LCPs 21 and 22. Separated initially for LCA work due to size of area.	N/A
			- Gently undulating <i>Strongly undulating</i>	- Hedgerows [trees and shrubs] <i>Ditches</i> <i>Fences</i>							
447	MN19	Flat Stream	- Arable farmland - Farmland with trees <i>Pastoral farmland</i> <i>Orchard</i> - Village - Commercial	<i>Fragmented</i> - Hedges [shrubs] - Hedgerows [trees and shrubs] <i>Ditches</i> <i>Fences</i> <i>Tree lines, belts</i>	- Planned - Mixed use	- Straight boundaries - Small fields	- B roads - Tracks - Generally straight/winding - Uniform/ditched verges	- Village - Isolated	MN09	Similar attributes to LCP 27, separated only by a river corridor.	N/A
			- Arable farmland - Farmland with trees <i>Pastoral farmland</i> - Woodland - Village - Commercial	<i>Fragmented</i> - Hedge [shrubs] - Hedgerows [trees and shrubs] <i>Ditches</i>							
357	MN20	Flat Stream	- Arable farmland - Farmland with trees <i>Pastoral farmland</i> - Woodland - Village - Commercial	<i>Fragmented</i> - Hedge [shrubs] - Hedgerows [trees and shrubs] <i>Ditches</i>	- Planned - Mixed use	- Straight boundaries - Small fields	- B roads - Tracks - Generally straight/winding - Uniform/ditched verges	- Village - Isolated	MN08	Similar attributes to LCPs 18 and 22. Separated initially for LCA work due to size of area.	N/A
			- Arable farmland - Farmland with trees <i>Pastoral farmland</i> - Woodland - Village - Commercial	<i>Fragmented</i> - Hedge [shrubs] - Hedgerows [trees and shrubs] <i>Ditches</i>							
175	MN21	Flat Stream	- Open farmland - Mixed farmland - Farmland with trees <i>Forestry broadleaved</i> - Woodland <i>Disturbed</i> <i>Commercial</i>	- Fragmented - Hedgerows [trees and shrubs] <i>Ditches</i> <i>Fences</i>	- Planned <i>Unenclosed</i> 75% modified	- Straight boundaries - Medium fields	- B roads - Generally straight - Variable/ditched verges	Village	MN08	Similar attributes to LCPs 18 and 21. Separated initially for LCA work due to size of area.	N/A
			- Open farmland - Mixed farmland - Farmland with trees <i>Forestry broadleaved</i> - Woodland <i>Disturbed</i> <i>Commercial</i>	- Organic - Planned <i>Unenclosed</i> - Mixed use							
175	MN22	Flat Stream	- Open farmland - Mixed farmland - Farmland with trees <i>Forestry broadleaved</i> - Woodland <i>Disturbed</i> <i>Commercial</i>	- Fragmented - Hedgerows [trees and shrubs] <i>Ditches</i> <i>Fences</i>	- Organic - Planned <i>Unenclosed</i> - Mixed use	- Straight boundaries - Small and medium fields	- A roads - Generally winding - Variable/ditched verges	- Village - Isolated	MN08	Similar attributes to LCPs 18 and 21. Separated initially for LCA work due to size of area.	N/A
			- Open farmland - Mixed farmland - Farmland with trees <i>Forestry broadleaved</i> - Woodland <i>Disturbed</i> <i>Commercial</i>	- Organic - Planned <i>Unenclosed</i> - Mixed use

Mid-Nottinghamshire Farmlands [MN] – LCP Summary

LDU REF	LCP REF	LANDFORM	LANDCOVER		HISTORIC PATTERN				DPZ REF	REASON FOR AMALGAMATION	REASON FOR RETAINING AS DISTINCT UNIT
			Land Use	Woodland Cover	Pattern Type	Field Boundary	Transport Pattern	Settlement			
447	MN23	- Gently undulating - Stream	- Arable farmland - Farmland with trees - Pastoral farmland - Woodland - Open water - Village - Commercial	- L'hear - Hedgerows [trees and shrubs] - Ditches - Fences	- Planned 75% geometric fields	- Straight/curved boundaries - Small and medium fields	- B roads - Tracks - Railway - Generally straight - Uniform verges	- Village - Isolated	MN10	N/A	Overall landscape character and features are distinct from adjacent LCPs, including topography and land use.
356	MN24	Strongly undulating	- Open farmland - Woodland - Village - Industrial	- Extensive - Hedge [shrubs] - Ditches - Tree line, belts	- Planned 75% modified	- Straight/curved boundaries - Medium and large fields	- B roads - C roads - Tracks - Generally winding/sunken - Variable/ditched verges	- Village - Isolated	MN11	Similar attributes to LCPs 25 and 26. Separated initially for LCA work due to size of area.	N/A
352	MN25	- Gently undulating - Plateau	- Open arable farmland - Commercial	Hedge [shrubs]	- Planned 75% modified	- Straight boundaries - Large fields	Tracks	Isolated	MN11	This LCP is not distinctive enough to retain as an individual unit. As it is enveloped by LCPs 24 and 26, which have similar attributes, it has been amalgamated with those.	N/A
447	MN26	- Gently undulating - Strongly undulating - Steep - Stream	- Open mixed farmland - Woodland - Village - Recreation or amenity - Commercial - Industrial	- Fragmented - Hedge [shrubs] - Hedgerows [trees and shrubs] - Ditches - Fences - Tree line, belts	- Planned - Unenclosed - Mixed use	- No/straight boundaries - Small, medium and large fields	- A roads - B roads - C roads - Tracks - Railway - Generally winding - Variable/ditched verges	- Town - Village	MN11	Similar attributes to LCPs 24 and 25. Separated initially for LCA work due to size of area.	N/A
354	MN27	Gently undulating	- Open farmland - Arable farmland - Farmland with trees - Pastoral farmland - Village - Commercial	- Hedgerows [tree and shrubs] - Ditches	- Planned - Unenclosed	Medium fields	- A roads - C roads - Tracks - Generally straight - Variable/ditched verges	- Village - Isolated	MN09	Similar attributes to LCP 20, separated only by a river corridor.	N/A

[N.B. Plain text denotes dominant or prominent characteristics, italics denote *apparent* or *insignificant* characteristics.]

Mid-Nottinghamshire Farmlands [MN] – LCP Summary

LDU REF	LCP REF	LANDFORM	LANDCOVER		HISTORIC PATTERN				DPZ REF	REASON FOR AMALGAMATION	REASON FOR RETAINING AS DISTINCT UNIT
			Land Use	Woodland Cover	Pattern Type	Field Boundary	Transport Pattern	Settlement			
127	MN28	Flat Stream	Open farmland Arable farmland Open water	Hedge [shrubs] Ditches Fences Tree line, belts	Planned 75% geometric fields	Straight boundaries Medium fields	B roads C roads Tracks Generally straight/winding Variable/ditched verges	Hamlet Isolated	MN12	Similar attributes to LCPs 29, 30, 31, and 32. Separated initially for LCA work due to size of area.	N/A
354	MN29	Gently undulating	Farmland with trees	Fragmented Hedgerows [trees and shrubs] Ditches	Planned 75% geometric fields	No/straight boundaries Medium fields	B roads C roads Tracks Generally winding Variable verges	Isolated	MN12	Similar attributes to LCPs 28, 30, 31, and 32. Separated initially for LCA work due to size of area.	N/A
105	MN30	Flat Gently undulating	Open farmland Arable farmland	Hedge [shrubs] Hedgerows [trees and shrubs] Ditches Tree line, belts	Planned 75% modified	Straight boundaries Medium fields	B roads C roads Generally straight Ditched verges	Hamlet	MN12	Similar attributes to LCPs 28, 29, 31, and 32. Separated initially for LCA work due to size of area.	N/A
354	MN31	Gently undulating Stream	Open farmland Arable farmland Pastoral farmland Open water Industrial	Fragmented Hedge [shrubs] Ditches Tree line, belts	Planned 75% geometric fields	Straight boundaries Medium and large fields	C roads Tracks Railway Generally straight Variable/ditched verges	Isolated	MN12	Similar attributes to LCPs 28, 29, 30, and 32. Separated initially for LCA work due to size of area.	N/A

Bassetlaw Landscape Character Assessment
Trent Washlands

APPENDIX C6

Summary Table

[Landscape Character Parcels into Draft Policy Zones]

Trent Washlands

RATIONALE FOR AMALGAMATION OF LCPs INTO DPZs – TRENT WASHLANDS
(working south to north of the county)

Policy Zone	LCP and MLA Reference			LDU Ref	Cultural Name (if given)	Summary of Land Use for MLA Area only	Reason for Amalgamation	Reason for Retention as Distinct Unit
	LCP Ref	MLA Ref	MLA Name					
1	TW1			445	Meadowlands LWG MFG		Same LDU attributes and would be contiguous without residential development.	
	TW2			444	Meadowlands LWG MFG			
2	TW7			396	Meadowlands LWG MFG			Distinct geographical feature – river valley.
3	TW3			115	Village Farmlands LFB NFG		Same LDU attributes and would be contiguous without intervening river valley.	
	TW4			94	Village Farmlands LFB NFG			
	TW5			131	Village Farmlands LFB NFG			
4	TW6			440	Meadowlands LWG MET		Only separated initially for character survey due to size of area.	
5	TW8			204	Village Farmlands LFB NEG			Separate LDU to TW9 (Meadowlands).
6	TW10			207	Village Farmlands LFB NSG			Separate LDU to TW9 (Meadowlands).
7	TW11			108	Village Farmlands LFB NEG			Separate LDU to TW9 (Meadowlands).

Condition and Sensitivity Unit	LCP and MLA Reference			LDU Ref	Cultural Name (if given)	Summary of Land Use for MLA Area only	Reason for Amalgamation	Reason for Retention as Distinct Unit
	LCP Ref	MLA Ref	MLA Name					
8	TW13			109	Village Farmlands LFB NEG			
	TW14			120 440 107	Village Farmlands LFB NEG Meadowlands LWG MET Village Farmlands LFB NEG		Same LDU attributes and adjacent to each other, separated only by river valley.	
	TW15			441	Village Farmlands LFB NSG			Separate LDU to TW6, 9, 12 and 19 (Meadowlands).
	TW16			442	Meadowlands LWG MST			Separate LDU to TW15 and 17 (Village Farmlands) and different attributes to TW12 (Meadowlands).
11	TW17 TW20			404	Village Farmlands LFB NEG		Only separated initially for character survey due to size of area.	
12	TW18			132	Village Farmlands LFB NEG			Separate LDU to TW19 (Meadowlands).
13	TW21			439	Meadowlands LWG MET			Separate LDU to TW20 (Village Farmlands).
14	TW22			203	Village Farmlands LFD NSG			Separate LDU to TW19 (Meadowlands).
15	TW23			405	Village Farmlands LFB NSG			Separate LDU to TW21 (Meadowlands).
16	TW24			110	Village Farmlands LFB NSG			Separate LDU to TW25 (Meadowlands).

Condition and Sensitivity Unit	LCP and MLA Reference			LDU Ref	Cultural Name (if given)	Summary of Land Use for MLA Area only	Reason for Amalgamation	Reason for Retention as Distinct Unit
	LCP Ref	MLA Ref	MLA Name					
17	TW25 TW28			415 415	Meadowlands LWG MFT		Only divided initially for character survey due to size of area.	
18	TW26			403	Village Farmlands LFB NFG			Separate LDU to TW25, 27 and 28 (Meadowlands).
19	TW27			401	Meadowlands LWG MFT			Separate LDU to TW26 (Village Farmlands).
20	TW29			274	Village Farmlands LFB NFG			Separate LDU to TW28 (Meadowlands).
21	TW30			199	Village Farmlands LFB NFT			Separate LDU to TW28 (Meadowlands). Separate attributes to TW32, different LDU to TW31 (Meadowlands).
22	TW31			198	Meadowlands LWG MFT			Separate attributes to TW33, different LDU to TW30 (Village Farmlands).
23	TW32			200	Village Farmlands LFB NEG			Separate attributes to TW30, different LDU to TW33 (Meadowlands).
24	TW33			202	Meadowlands LWG MEG			Separate attributes to TW31, different LDU to TW32 (Village Farmlands).
25	TW34			408	Meadowlands LWG MFT			Separate attributes to TW33 (Meadowlands) and different LDU to TW32.

RATIONALE FOR AMALGAMATION OF LCPs – TRENT WASHLANDS
(working south to north of the county)

Condition and Sensitivity Unit	LCP and MLA Reference			LDU Ref	Cultural Name (if given)	Summary of Land Use for MLA Area only	Reason for Amalgamation	Reason for Retention as Distinct Unit
	LCP Ref	MLA Ref	MLA Name					
26	TW13	025	Gunthorpe	109	Village Farmlands LWG MET			MLA
27	TW12	023	Caythorpe & Gonalston	440	Meadowlands LFB NEG			MLA
