

Everton Neighbourhood Development Plan

2018 - 2034

Examination Update

27th February 2019

Bassetlaw
DISTRICT COUNCIL
— North Nottinghamshire —

Following the public hearing concerning the Everton Neighbourhood Development Plan, held on the 10th January 2019, the Examiner asked for the Parish Council to propose a revised Policy E8 and for that revised policy to be the subject of a public consultation exercise. In order to avoid purdah, the proposed consultation will now take place after the May District Council elections. Further details will be published in due course. At the conclusion of that consultation, any responses along with the revisions to Policy E8, will be forwarded to the Examiner who will then complete his examination.
