Re: Application to designate a neighbourhood plan boundary

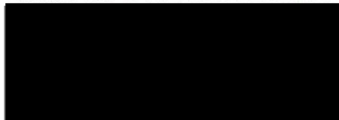

Dear Will,

Torworth Parish Council (the relevant body) hereby applies for the establishment of a Neighbourhood Area to be known formally as "Torworth Neighbourhood Plan". The area for the proposed Neighbourhood Plan is the parish boundary as shown on the attached OS map, found on Bassetlaw District Council's website. The proposed area covers the whole of a single parish boundary area.

Upon designation, it is intended to create a Neighbourhood Plan Steering Group (NPSG), a sub-committee to Torworth Parish Council, which will be a mix of residents and parish councillors. It is expected that the sub-committee will regularly attend Parish Council meetings to provide updates. It will be the intention of the NPSG to develop a Neighbourhood Plan so that residents will have greater involvement and influence over the future vision of Torworth. The Parish Council has a strong desire to control the progress of the village, and to ensure that any future planning is supported with the correct and necessary infrastructure.

The point of contact for all communication and correspondence regarding this application is Councillor Christie Willis (address below) and Claire Challener (Clerk to the Parish Council):
