Dear Will,

Ranskill Neighbourhood Plan

Further to recent discussions I can confirm that Ranskill Parish Council has now withdrawn the running third Neighbourhood Plan public consultation, following the publication of the Bassetlaw District Council's own plan. There is a significant difference between the plans, both currently in public consultation, relating to the housing requirement such that they are mutually incompatible. At the same time the Parish Council requests that you withdraw from the Regulation 14 consultation relating to the Ranskill Neighbourhood Plan.

The Parish Council intend to consult with the residents early in the New Year regarding further development and will amend the Neighbourhood Plan accordingly once the results have been compiled and get the process back on track.

Yours sincerely,

C M Malcolm
Clerk to Ranskill Parish Council
