

# Who's driving you home tonight?

## Are they legal, are they licensed?

Every Bassetlaw licensed vehicle carries a plate on the rear and one inside, which should be clearly visible to you as a passenger. The driver will also be wearing an identification badge bearing their photo.

If it doesn't have these then it's not a licensed vehicle with a licensed driver.

## Get smart, be sure, stay safe.

IF IN DOUBT ASK TO SEE THE DRIVER'S IDENTIFICATION BADGE

Unlicensed taxis can be reported by email to [licensing@bassetlaw.gov.uk](mailto:licensing@bassetlaw.gov.uk) or call 01909 533 533
