This latest focused consultation is asking people to share their views on the proposed Ordsall South development following updates to the Local Plan and further proposals from the site promoter. This is in response to the significant feedback during the November 2020 Local Plan consultation, which helped to shape the revision of the plan.</p> <p>Due to national planning policies, the Council has been forced to increase the proposed number of 800 homes delivered up to the year 2037 by a further 450 homes beyond 2037.</p> <p>Councillor Jo White, Cabinet Member for Regeneration at Bassetlaw District Council said: "Increasing the number of properties on the Ordsall South site was something that we really did not want to do and I am very grateful to the views of residents and share their concerns. "Like many other councils, Bassetlaw is under significant pressure from the Government to build more houses. Their policies look to give developers even more power to build as many homes as they like without consulting with residents, businesses and councils. "The Draft Bassetlaw Local Plan can put the brakes on development in our district and ensure that we can control future development, bring in new high-skilled jobs that are needed, and ensure that the infrastructure including road improvements, cycle routes, play facilities and health provision that residents and businesses need is planned for and delivered. Your views are important and I hope that you can participate in this consultation."</p> <p>Residents and businesses can view the updated proposals, take part in the consultation, and sign-up to attend a number of online consultation events, by visiting www.bassetlaw.gov.uk/bassetlawplan.</p> <p>All comments must be received before the consultation closes at 5.00pm on Wednesday 27th July 2021.</p> <p>East Markham WI</p> <p>At the May meeting of East Markham WI, members welcomed villager Bill Arthur, a print and broadcast journalist to talk about his career. Hailing from Lincolnshire he started work as a junior reporter at the Sheffield Star, before working for Barnsley and then radio stations in Newcastle and Liverpool before joining TV-AM and Sky Sports, where he worked for 20 years including time as a presenter and this has taken him to many major sporting events around the world. On moving to East Markham, Bill became involved with the East Markham Gazette, the village newsletter, eventually taking over from the Hardys and now co-editing it with Oliver Pridmore. He believes that radio and the written word connect better with people than TV and that is what he likes about the Gazette. It is local news and events for local people. There were many questions from members, which Bill was pleased to answer at length. June saw the group first get together of members since February 2020, with an outdoor social and on the usual meeting night a Zoom talk about the Chesterfield Canal. Subject to all restrictions having been lifted, it is planned that meetings in the Village Hall will resume in July, with a musical evening. New members and visitors are always welcome, for more information call 01777 871567 or email eastmarkhamsec@notsw.org.uk.</p> <p>Not a gardener's garden!</p> <p>Book your place at an Open Garden, to be held in Hayton on Saturday 10th July, to raise money for maintenance work at St Peters Church in the village. Open between 12.30pm and 2.30pm, there will also be a plant stall and cake stall at 16 Church Lane, Hayton. Entrance will cost £7.50, to include a traditional Ploeghman's lunch and a drink.
