Investment Transaction Key

- 1 Unidrug Distribution Group Limited, Castlewood Business Park, Sutton in Ashfield
- 7 Dixons Retail Distribution Centre, Balderton, Newark
- 8 Lakeview Drive, Sherwood Park, Annesley

The development comprises the construction of a new single storey warehouse with ancillary office accommodation providing a gross internal area of 220,004 sq ft (20,439 sq m) with specification to include 12 metre eaves, 5% office content, 33 loading doors, 240 car parking spaces and 40 HGV parking spaces.

UniDrug Distribution Group Ltd entered into an agreement for lease on the basis of a 20 year FRI lease from Practical Completion (early 2014) at an annual rent of £979,000 per annum (£4.45 per sq ft). The rent is subject to review every fifth anniversary of the term. It is understood the tenant has been granted an initial 23 month rent free period.

It should be noted that the rental agreed is for a developer's shell finish only and that the tenant is meeting the costs of fit out.

Unit 4B Castlewood Business Park, J28 M1 (map ref: 1)

The property comprises a 24,240 sq ft (2,252 sq m) industrial/distribution unit with 5% office content and was let in May 2013 to BT Rolling Stock Ltd (Bombardier) for a term of ten years, subject to a tenant break option and rent review at the end of the fifth year. The rent was agreed at £103,000 per annum (£4.25 per sq ft). We understand that no rent free period was agreed and that the tenant has a six month rent penalty should the break option be exercised.

It should be noted that the tenant acquired the unit as a developer's shell and has met the costs of fitting out including two storey offices, hence the lower rental per sq ft achieved.

Unit 4A Castlewood Business Park, J28 M1 (map ref: 1)

The property comprises 39,783 sq ft (3,696 sq m) industrial/distribution space with 5% office content and was let to Midland Aerospace in September 2012 for a term of 15 years, on FRI terms, subject to five yearly rent reviews. A stepped rent was agreed as follows:

Year 1 - £47,242

Year 2 - £94,484

Year 3 - £141,762

Years 4 & 5 - £188,969 per annum

We understand that in addition the tenant pays a further rent of £41,600 per annum to reflect the costs of fit out undertaken by the developer, namely installation of two storey offices.

Our analysis of the rent agreed reflects a headline rent of £4.75 per sq ft which increases to £5.80 per sq ft inclusive of the fit out rent agreed.

The Co-operative Food, Castlewood Business Park, J28 M1 (map ref: 1)

The Co-operative Group signed a pre-let with Clowes Developments to take 477,260 sq ft distribution warehouse on a 20 year lease from October 2012. The building has an eaves height of 15 metres, 80 dock level loading doors and 2 main service yards with depths of 50 metres and 99 metres.

The property is let to The Co-operative Group for a term of 20 years on full repairing and insuring terms at an initial rent based upon £4.60 per sq ft. We are not aware of the incentive package agreed.

The Core, Unit 1 Langham Park, Mansfield Road, Chesterfield (map ref: 2)

The property comprises a speculatively built distribution warehouse with 14 metre eaves height and 12 loading doors extending to 167,227 sq ft (15,535 sq m).

The property was let in January 2013 to Menlo Worldwide UK Ltd for a term of ten years on FRI terms with tenant option to break and rent review at the end of the fifth year. An initial rent of £660,546 per annum was agreed (£3.95 per sq ft). It is understood that the tenant was granted an equivalent rent free period of 16 months.

DC1, Trax Park, Decoy Bank South, Doncaster (map ref: 3)

The property comprises a modern distribution warehouse built in 2002 with an eaves height of 12 metres providing a cross docked facility with 12 dock level and 14 surface level access doors. The property extends to 163,209 sq ft (15,163 sq m) and is held on a sub lease expiring in 2022, from July 2013, at a rent of £781,896 per annum (£4.53 per sq ft) inclusive of a mezzanine floor and security lodge. We are not aware of the incentive package.

Andrew Page, Markham Vale, J29A M1 (map ref: 4)

The property comprises a recently completed distribution facility extending to 100,000 sq ft (9,290 sq m) with 3.5% office content.

The property was let on a fifteen year FRI lease with 5 yearly rent reviews to Andrew Page Ltd in July 2012 at a headline rent of £445,000 per annum (£4.45 per sq ft). An eighteen months rent free period was granted to the tenant.

NYK Common Road, Huthwaite (map ref: 5)

The property is situated on the A38, near the M1 Junction 28. It comprises a 1980's steel portal frame warehouse with two storey offices extending to 109,736 sq ft (10,195 sq m) plus mezzanine and gate house.

It is understood the property was let in December 2013 on the basis of a ten year term with tenant break option and rent review at the end of the fifth year. A headline rent of £305,000 per annum (£2.78 per sq ft) has been agreed. In addition the tenant has been granted incentives to include a reduction in the first years rent to £205,000 per annum and four months rent free in the event that the break option is not exercised at the end of the fifth year.

Brakes Brother, Palmer Road, Grantham (map ref: 6)

The property is situated in an established industrial and distribution location in Gonerby Moor, to the north west of Grantham town centre.

The property comprises three, intercommunicating high bay warehouses developed in three phases to provide a cold store and distribution facility extending in total to 244,391 sq ft and on a site of 16.11 acres.

The property is let to Brake Brothers Limited on a twenty five year lease with effect from 20 December 2012, at a rental of £855,000, on a full repairing and insuring basis, incorporating 5 yearly rent reviews to RPI with a collar of 0%, equating to £3.50 per sq ft. The investment was being marketed at £13.47M, equating to a net initial yield of 6% and recently sold at a price equivalent to a net initial yield of 5.21%.

Investment Transactions

Dixons Retail Distribution Centre, Balderton, Newark (map ref: 7)

Date: October 2014, Price £68.5M (£94.33 per sq ft), Yield: 6.4% net initial yield, Size: 726,200 sq ft (67,466 sq m)

The property comprises a purpose built distribution warehouse built in 2006 situated at the intersection of the A1, A17 and A46. The property is let at a rent of £4.5M per annum with five yearly uplifts to 3.0% pa compounded, and has an unexpired lease term of 18.8 years. The property and an adjacent 750,000 sq ft unit serve as Dixons Carphone's central distribution hub for both its physical stores and online business.

We consider this investment to be better located being visible from the A1 and adjacent to the intersection of a number of 'A' roads.

Lakeview Drive, Sherwood Park, Annesley (map ref: 8)

Date: January 2013, Price: £8.95M (£71.00 per sq ft), Yield: 7.95% net initial yield, 8.77% reversionary yield, Size: 126,059 sq ft (11,5711 sq m)

The property was constructed in 2006 and comprises a modern detached distribution facility with ancillary offices totalling approximately 126,059 sq ft with a site coverage of 47%. Internally, the warehouse area has a clear minimum eaves height of 10.5m.

The entire property is let to L'Oreal (UK) Ltd (D&B Rating 5A1) with 8.3 years unexpired at a passing rent of £752,797 per annum, reflecting £5.79 per sq ft. The rent is subject to an increase on the tenth anniversary in June 2016 to £831,148 reflecting £6.59 per sq ft. The long leasehold interest (virtual freehold) was sold in January 2013 for £8,950,000 reflecting a net initial yield of 7.95% and a capital value of £71.00 per sq ft.

We consider this investment to be superior to the subject property in terms of location. However, the transaction is somewhat historic since when there has been yield contraction.

Unidrug Distribution Group Limited, Castlewood Business Park, Sutton in Ashfield (map ref: 1)

The property comprises a modern distribution warehouse extending to 220,004 sq ft and is let to Unidrug Distribution Group on a full repairing and insuring lease for a term of 20 years with effect from 2014 at a rental of £979,000, equating to £4.45 per sq ft. The property was sold in December 2013 for £14.9M, equivalent to £67.72 per sq ft, equating to a net initial yield of 6.21%.

Details of the information set out above indicates that there has been no significant industrial/distribution transactions within Bassetlaw in recent times.
