13 December 2022

Dear Darryl,

On 5 October 2022, Bassetlaw District Council received a formal application from Sturton le Steeple Parish Council to designate a new neighbourhood planning area, combining the full extent of the three parishes of Sturton le Steeple, Bole, and West Burton. This designation was proposed as part of a replacement for the existing Sturton Ward Neighbourhood Area.

Following a period of public consultation on the application, a report on the proposals was considered by the Council on the 8 December 2022. It was agreed at the meeting that Sturton le Steeple, Bole, and West Burton should be designated as a neighbourhood planning area with immediate effect, with the Sturton le Steeple Parish Council as the qualifying body. The District Council's Neighbourhood Planning Team will be glad to assist the Parish Council in progressing the development of a neighbourhood plan in due course, and in addressing any queries relating to the existing Sturton Ward Neighbourhood Plan in the meantime.

Yours Sincerely,

A handwritten signature in black ink, reading "BA. Alderton-Sambrook".
