#### **31. Average weekly earnings of employed earners: persons who are not pensioners**

31.—(1) Where the income of an applicant who is not a pensioner consists of earnings from employment as an employed earner his average weekly earnings must be estimated by reference to his earnings from that employment—

(a) over a period immediately preceding the reduction week in which the application is made or treated as made and being a period of—

- (i) 5 weeks, if he is paid weekly; or
- (ii) 2 months, if he is paid monthly; or

(b) whether or not paragraph (a)(i) or (ii) applies, where an applicant's earnings fluctuate, over such other period preceding the reduction week in

which the application is made or treated as made as may, in any particular case, enable his average weekly earnings to be estimated more accurately.

(2) Where the applicant has been in his employment for less than the period specified in subparagraph (1)(a)(i) or (ii)—

(a) if he has received any earnings for the period that he has been in that employment and

those earnings are likely to represent his average weekly earnings from that employment his

average weekly earnings must be estimated by reference to those earnings;

(b) in any other case, the authority must estimate the applicant's average weekly earnings.

(3) Where the amount of an applicant's earnings changes the authority must estimate his average weekly earnings by reference to his likely earnings from the employment over such period as is appropriate in order that his average weekly earnings may be estimated accurately but the length of the period must not in any case exceed 52 weeks.

(4) For the purposes of this paragraph the applicant's earnings are to be calculated in accordance with paragraphs 35 and 36 (earnings of employed earners: persons who are not pensioners).

### **32. Average weekly earnings of self-employed earners: persons who are not pensioners**

32.—(1) Where the income of an applicant who is not a pensioner consists of earnings from employment as a self-employed earner his average weekly earnings must be estimated by reference to his earnings from that employment over such period as is appropriate in order that his average weekly earnings may be estimated accurately but the length of the period must not in any case exceed a year.

(2) The period over which any benefit under the benefit Acts is to be taken into account is to be the period in respect of which that benefit is payable.

(a) does not exceed a week, the weekly amount is to be the amount of that payment;

(b) exceeds a week, the weekly amount is to be determined—

(i) in a case where that period is a month, by multiplying the amount of the payment by

12 and dividing the product by 52;

(ii) in any other case, by dividing the amount of the payment by the number equal to the

number of days in the period to which it relates and multiplying the product by 7.

(2) For the purposes of paragraph 32 (average weekly earnings of self-employed earners) the weekly amount of earnings of an applicant is to be determined by dividing his earnings over the assessment period by the number equal to the number of days in that period and multiplying the product by 7.

### **35. Earnings of employed earners: persons who are not pensioners**

35.—(1) Subject to sub-paragraph (2), “earnings”, in the case of employment as an employed earner of a person who is not a pensioner, means any remuneration or profit derived from that employment and includes—

### **36. Calculation of net earnings of employed earners: persons who are not pensioners**

36.—(1) For the purposes of paragraph 31 47 (average weekly earnings of employed earners: persons who are not pensioners), the earnings of an applicant who is not a pensioner derived or likely to be derived from employment as an employed earner to be taken into account must, subject to sub-paragraph (2), be his net earnings.

(2) There is to be disregarded from an applicant's net earnings, any sum, where applicable, specified in paragraphs 1 to 16 of Schedule 3 (sums disregarded in the calculation of earnings: persons who are not pensioners).

(3) For the purposes of sub-paragraph (1) net earnings must, except where sub-paragraph (6) applies, be calculated by taking into account the gross earnings of the applicant from that employment over the assessment period, less—

- (a) any amount deducted from those earnings by way of—
  - (i) income tax;
  - (ii) primary Class 1 contributions under the SSCBA;
- (b) one-half of any sum paid by the applicant by way of a contribution towards an occupational pension scheme;
- (c) one-half of the amount calculated in accordance with sub-paragraph (5) in respect of any qualifying contribution payable by the applicant; and

(d) where those earnings include a payment which is payable under any enactment having effect in Northern Ireland and which corresponds to statutory sick pay, statutory maternity pay, statutory shared parental pay or statutory adoption pay, any amount deducted from those earnings by way of any contributions which are payable under any enactment having effect in Northern Ireland and which correspond to primary Class 1 contributions under the SSCBA.

(4) In this paragraph “qualifying contribution” means any sum which is payable periodically as a contribution towards a personal pension scheme.

(5) The amount in respect of any qualifying contribution is to be calculated by multiplying the daily amount of the qualifying contribution by the number equal to the number of days in the assessment period; and for the purposes of this paragraph the daily amount of the qualifying contribution is to be determined—

- (a) where the qualifying contribution is payable monthly, by multiplying the amount of the qualifying contribution by 12 and dividing the product by 365;
- (b) in any other case, by dividing the amount of the qualifying contribution by the number equal to the number of days in the period to which the qualifying contribution relates.

(6) Where the earnings of an applicant are estimated under paragraph 31 47(2)(b) (average weekly earnings of employed earners: classes D to G), his net earnings is to be calculated by taking into account those earnings over the assessment period, less—

(a) an amount in respect of income tax equivalent to an amount calculated by applying to those earnings the basic rate of tax applicable to the assessment period less only the personal relief to which the applicant is entitled under sections 35 to 37 of the Income Tax

Act 2007 (personal allowances) as is appropriate to his circumstances but, if the assessment period is less than a year, the earnings to which the basic rate of tax is to be applied and the amount of the personal relief deductible under this sub-paragraph is to be calculated on a pro rata basis;

b) an amount equivalent to the amount of the primary Class 1 contributions that would be payable by him under the SSCBA in respect of those earnings if such contributions were payable; and

(c) one-half of any sum which would be payable by the applicant by way of a contribution towards an occupational or personal pension scheme, if the earnings so estimated were actual earnings.

### **37. Earnings of self-employed earners: persons who are not pensioners**

37.—(1) Subject to sub-paragraph (2), “earnings”, in the case of employment as a self-employed earner of a person who is not a pensioner, means the gross income of the employment.

(2) “Earnings” does not include any payment to which paragraph 31 or 32 of Schedule 4 & refers (payments in respect of a person accommodated with the applicant under arrangements made by a local authority or voluntary organisation and payments made to the applicant by a health authority, local authority or voluntary organisation in respect of persons temporarily in the applicant’s care) nor does it include any sports award.

(3) This paragraph applies to—

(b) any payment in respect of any—

(i) book registered under the Public Lending Right Scheme 1982;

or

(ii) work made under any international public lending right scheme that is analogous to the

Public Lending Right Scheme 1982, where the applicant is the first owner of the copyright,

design, patent or trade mark, or an original contributor to the book or work concerned.

(4) Where the applicant’s earnings consist of any items to which sub-paragraph (3) applies, those earnings must be taken into account over a period equal to such number of weeks as is equal to the number obtained (and any fraction is to be treated as a corresponding fraction of a week) by dividing the earnings by—

(a) the amount of reduction under this scheme to which the applicant would have been entitled had the payment not been made, plus

(b) an amount equal to the total of the sums which would fall to be disregarded from the payment under Schedule 7 3 (sums disregarded in the calculation of earnings: persons who are

not pensioners) as appropriate in the applicant’s case.

### **38. Calculation of income other than earnings: persons who are not pensioners**

38.—(1) For the purposes of paragraph 33 (average weekly income other than earnings: persons who are not pensioners), the income of an applicant who is not a pensioner which does not consist of earnings to be taken into account must, subject to sub-paragraphs (2) to (8), be his gross income and any capital treated as income under paragraph 39 (capital treated as income: persons who are not pensioners).

(2) There is to be disregarded from the calculation of an applicant's gross income under subparagraph (1), any sum, where applicable, specified in Schedule 4.

(3) Where the payment of any benefit under the benefit Acts is subject to any deduction by way of recovery the amount to be taken into account under subparagraph (1) must be the gross amount payable.

(4) Where the applicant or, where he is a member of a couple, his partner is receiving a contributory employment and support allowance and that benefit has been reduced under regulation 63 of the Employment and Support Allowance Regulations 2008, the amount of that benefit to be taken into account is the amount as if it had not been reduced.

(5) Where an award of any working tax credit or child tax credit under the Tax Credits Act 2002 is subject to a deduction by way of recovery of an overpayment of working tax credit or child tax credit which arose in a previous tax year the amount to be taken into account under subparagraph (1) is to be the amount of working tax credit or child tax credit awarded less the amount of that deduction.

(6) Sub-paragraphs (7) and (8) apply where—

- (a) a relevant payment has been made to a person in an academic year; and
- (b) that person abandons, or is dismissed from, his course of study before the payment to him of the final instalment of the relevant payment.

(7) Where a relevant payment is made quarterly, the amount of a relevant payment to be taken into account for the assessment period for the purposes of subparagraph (1) in respect of a person to whom subparagraph (7) applies, is to be calculated by applying the formula—

$A \text{ minus } (B \times C) / D$

where—

(a) A = the total amount of the relevant payment which that person would have received had he remained a student until the last day of the academic term in which he abandoned, or was dismissed from, his course, less any deduction under paragraph 81(5) (costs of travel, books and equipment);

(b) B = the number of reduction weeks from the reduction week immediately following that which includes the first day of that academic year to the reduction week which includes the day on which the person abandoned, or was dismissed from, his course;

(c) C = the weekly amount of the relevant payment, before the application of the £10 disregard, which would have been taken into account as income under paragraph 81(2) (treatment of student loans) had the person not abandoned or been dismissed from, his course and, in the case of a person who was not entitled to a reduction under this scheme immediately before he abandoned or was dismissed from his course, had that person, at that time, been entitled to housing benefit;

(d) D = the number of reduction weeks in the assessment period.

(8) Where a relevant payment is made by two or more instalments in a quarter, the amount of a relevant payment to be taken into account for the assessment period for the purposes of subparagraph (1) in respect of a person to whom subparagraph (7) applies, is to be calculated by applying the formula in sub-paragraph (8) but as if—

A = the total amount of relevant payments which that person received, or would have received, from the first day of the academic year to the day the person abandoned the course, or was dismissed from it, less any deduction under paragraph 69(5).

(9) In this paragraph—

“academic year” and “student loan” have the same meanings as in Part 10 (students);  
“assessment period” means—

(a) in a case where a relevant payment is made quarterly, the period beginning with the reduction week which includes the day on which the person abandoned, or was dismissed from, his course and ending with the reduction week which includes the last day of the last quarter for which an instalment of the relevant payment was payable to that person;

b) in a case where the relevant payment is made by two or more instalments in a quarter, the period beginning with the reduction week which includes the day on which the person abandoned, or was dismissed from, his course and ending with the reduction week which includes—

(d) 1st April and ending on 30th June;

(10) For the avoidance of doubt there must be included as income to be taken into

account under sub-paragraph (1)—

(a) any payment to which paragraph 41(2) or 51(2) (payments not earnings) applies; or

(b) in the case of an applicant who is receiving support under section 95 or 98 of the Immigration and Asylum Act 1999 including support provided by virtue of regulations made under Schedule 9 to that Act, the amount of such support provided in respect of essential living needs of the applicant and his dependants (if any) as is specified in regulations made under paragraph 3 of Schedule 8 to the Immigration and Asylum Act 1999.

### **40. Notional income: persons who are not pensioners**

40.—(1) An applicant who is not a pensioner is to be treated as possessing income of which he has deprived himself for the purpose of securing entitlement to a reduction under a council tax reduction scheme or increasing the amount of the reduction.

- (ii) national insurance contributions payable under the SSCBA, calculated in accordance with paragraph 62 (deduction of tax and contributions for self employed earners); and

(10) For the avoidance of doubt where an applicant is engaged in employment as a self-employed earner and he is also engaged in one or more other employments as a self-employed or employed earner any loss incurred in any one of his employments must not be offset against his earnings in any other of his employments.

(11) The amount in respect of any qualifying premium is to be calculated by multiplying the daily amount of the qualifying premium by the number equal to the number of days in the assessment period; and for the purposes of this paragraph the daily amount of the qualifying premium must be determined—

- (a) where the qualifying premium is payable monthly, by multiplying the amount of the qualifying premium by 12 and dividing the product by 365;
- (b) in any other case, by dividing the amount of the qualifying premium by the number equal to the number of days in the period to which the qualifying premium relates.

(12) In this paragraph, “qualifying premium” means any premium which is payable periodically in respect of a personal pension scheme and is so payable on or after the date of application.

## **46. Calculation of deduction of tax and contributions of self-employed earners**

46.—(1) The amount to be deducted in respect of income tax under paragraph

45 64(1)(b)(i),  
(3)(b)(i) or (9)(a)(i) (calculation of net profit of self-employed earners) must be calculated—

(a) on the basis of the amount of chargeable income, and  
(b) as if that income were assessable to income tax at the basic rate or in the case of a Scottish taxpayer, the Scottish base rate of tax applicable to the assessment period less only the personal reliefs to which the applicant is entitled under Chapters 2,3 and 3A of part 3 of the Income Tax Act 2007 as are;

(2) But, if the assessment period is less than a year, the earnings to which the basic rate or the Scottish basic rate of tax is to be applied and the amount of the personal reliefs deductible under this paragraph must be calculated on a pro rata basis.

(3) The amount to be deducted in respect of national insurance contributions under paragraph 44 60(1)(b)(i), (3)(b)(ii) or (9)(a)(ii) is the total of—

(a) the amount of Class 2 contributions payable under section 11(2) or, as the case may be, 11(8) of the SSCBA at the rate applicable to the assessment period except where the applicant's chargeable income is less than the amount specified in section 11(4) of that Act (small profits threshold) for the tax year applicable to the assessment period; but if the assessment period is less than a year, the amount specified for that tax year must be reduced pro rata; and

(b) the amount of Class 4 contributions (if any) which would be payable under section 15 of the SSCBA (Class 4 contributions recoverable under the Income Tax Acts) at the percentage rate applicable to the assessment period on so much of the chargeable income as exceeds the lower limit but does not exceed the upper limit of profits and gains applicable for the tax year applicable to the assessment period; but if the assessment period is less than a year, those limits must be reduced pro rata.

(4) In this paragraph "chargeable income" means—

(a) except where paragraph (b) applies, the earnings derived from the employment less any expenses deducted under sub-paragraph (3)(a) or, as the case may be, (5) of paragraph 45 64;

## **52. Deleted**

## **53. Diminishing notional capital rule: persons who are not pensioners**

53.—(1) Where an applicant who is not a pensioner is treated as possessing capital under paragraph 51 ~~67~~(1) (notional capital), the amount which he is treated as possessing—

(a) in the case of a week that is subsequent to—

(i) the relevant week in respect of which the conditions set out in sub-paragraph (2) are satisfied; or

(ii) a week which follows that relevant week and which satisfies those conditions, is to be reduced by an amount determined under sub-paragraph (3);

(b) in the case of a week in respect of which sub-paragraph (1)(a) does not apply but where—

(i) that week is a week subsequent to the relevant week; and

(ii) that relevant week is a week in which the condition in sub-paragraph (4) is satisfied, is to be reduced by the amount determined under sub-paragraph (5).

(2) This sub-paragraph applies to a reduction week (or, in the case of persons who are not pensioners, part-week) where the applicant satisfies the conditions that—

(a) he is in receipt of a reduction in council tax under this scheme; and

(b) but for paragraph 67(1), he would have received a greater reduction in council tax under this scheme in that week.

(3) In a case to which sub-paragraph (2) applies, the amount of the reduction in the amount of capital he is treated as possessing for the purposes of sub-paragraph (1)(a) is equal to the aggregate of—

(a) an amount equal to the additional amount of the reduction in council tax to which sub-paragraph (2)(b) refers;

(b) where the applicant has also claimed housing benefit, the amount of any housing benefit or any additional amount of that benefit to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 49(1) of the Housing Benefit Regulations 2006 (notional capital);

(c) where the applicant has also claimed income support, the amount of income support to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 51(1) of the Income Support (General) Regulations 1987 (notional capital);

(d) where the applicant has also claimed a jobseeker's allowance, the amount of an income-based jobseeker's allowance to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 113 of the Jobseeker's Allowance Regulations 1996 (notional capital); and

(e) where the applicant has also claimed an employment and support allowance, the amount of an income-related employment and support allowance to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 115 of the Employment and Support Allowance Regulations 2008 (notional capital).

(4) Subject to sub-paragraph (7), for the purposes of sub-paragraph (1)(b) the condition is that the applicant is not a pensioner and would have been entitled to a reduction in council tax in the relevant week but for paragraph 51 (1).

(5) In such a case the amount of the reduction in the amount of capital he is treated as possessing must be equal to the aggregate of—

(a) the amount of council tax benefit to which the applicant would have been entitled in the relevant week but for paragraph 51 (1);

(b) if the applicant would, but for regulation 49(1) of the Housing Benefit Regulations 2006

, have been entitled to housing benefit or to an additional amount of housing benefit in respect of the benefit week which includes the last day of the relevant week, the amount which is equal to—

(i) in a case where no housing benefit is payable, the amount to which he would have been entitled; or

(ii) in any other case, the amount equal to the additional amount of housing benefit to which he would have been entitled;

(c) if the applicant would, but for regulation 51(1) of the Income Support (General)

Regulations 1987, have been entitled to income support in respect of the benefit week, within the meaning of regulation 2(1) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled;

(d) if the applicant would, but for regulation 113 of the Jobseeker's Allowance Regulations 1996, have been entitled to an income-based jobseeker's allowance in respect of the benefit week, within the meaning of regulation 1(3) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled; and

e) if the applicant would, but for regulation 115 of the Employment and Support Allowance Regulations 2008, have been entitled to an income-related employment and support allowance in respect of the benefit week, within the meaning of regulation 2(1) of those Regulations (interpretation), which includes the last day of the relevant week, the amount to which he would have been entitled.

(6) But if the amount mentioned in paragraph (a), (b), (c), (d) or (e) of sub-paragraph (5) ("the relevant amount") is in respect of a part-week, the amount that is to be taken into account under that paragraph is to be determined by—

- (a) dividing the relevant amount by the number equal to the number of days in that part-week, and
- (b) multiplying the result of that calculation by 7.

(7) The amount determined under sub-paragraph (5) is to be re-determined under the appropriate sub-paragraph if the applicant makes a further application and the conditions in sub-paragraph (8) are satisfied, and in such a case—

- (a) paragraphs (a) to (e) of sub-paragraph (5) apply as if for the words "relevant week" there were substituted the words "relevant subsequent week"; and
- (b) subject to sub-paragraph (9), the amount as re-determined has effect from the first week following the relevant subsequent week in question.

(8) The conditions are that—

(a) a further application is made 26 or more weeks after—

(i) the date on which the applicant made an application for a reduction under this scheme in respect of which he was first treated as possessing the capital in question under paragraph 51(1);

(ii) in a case where there has been at least one re-determination in accordance with sub-paragraph

7), the date on which he last made an application under this scheme which

resulted in the weekly amount being re-determined, or

(iii) the date on which he last ceased to be entitled to a reduction under this scheme, whichever last occurred; and

(b) the applicant would have been entitled to a reduction under this scheme but for paragraph 51(1).

(9) The amount as re-determined pursuant to sub-paragraph (6) must not have effect if it is less than the amount which applied in that case immediately before the re-determination and in such a case the higher amount must continue to have effect.

(10) For the purposes of this paragraph— “part-week”—

(a) in relation to an amount mentioned in sub-paragraph (5)(a), means a period of less than a week for which a reduction under this scheme is allowed;

(b) in relation to an amount mentioned in sub-paragraph (5)(b), means a period of less than a week for which housing benefit is payable;

(c) in relation to an amount mentioned in sub-paragraph (5)(c), (d) or (e), means—

(j) a period of less than a week which is the whole period for which income support, an income-related employment and support allowance or, as the case may be, an income-based jobseeker's allowance is payable; and

(ii) any other period of less than a week for which it is payable;

“relevant week” means the reduction week or part-week in which the capital in question of which the applicant has deprived himself within the meaning of paragraph 51(1)—

(a) was first taken into account for the purpose of determining his entitlement to a reduction;

or

(b) was taken into account on a subsequent occasion for the purpose of determining or re-determining his entitlement to a reduction on that subsequent occasion and that determination or re-determination resulted in his beginning to receive, or ceasing to receive, a reduction, and where more than one reduction week is identified by reference to paragraphs (a) and (b) of this definition, the later or latest such reduction week or, as the case may be, the later or latest such part-week is the relevant week;

“relevant subsequent week” means the reduction week or part-week which includes the day on which the further application or, if more than one further application has been made, the last such application was made.

#### **54. Capital jointly held**

54. Except where an applicant possesses capital which is disregarded under paragraph 51 (7) (notional capital), where an applicant and one or more

persons are beneficially entitled in possession to any capital asset they must be treated, in the absence of evidence to the contrary, as if each of them were entitled in possession to the whole beneficial interest therein in an equal share and the foregoing provisions of this Chapter apply for the purposes of calculating the amount of capital which the applicant is treated as possessing as if it were actual capital which the applicant does possess.

**55. Deleted**

## Chapter 2

### Income

#### 60. Calculation of grant income

60.—(1) The amount of a student's grant income to be taken into account in assessing his income must, subject to sub-paragraphs (2) and (3), be the whole of his grant income.

(2) There must be excluded from a student's grant income any payment—

- (a) intended to meet tuition fees or examination fees;
- (b) in respect of the student's disability;
- (c) intended to meet additional expenditure connected with term time residential study away from the student's educational establishment;
- (d) on account of the student maintaining a home at a place other than that at which he resides during his course;
- (e) on account of any other person but only if that person is residing outside the United Kingdom and there is no applicable amount in respect of him;
- (f) intended to meet the cost of books and equipment;
- (g) intended to meet travel expenses incurred as a result of his attendance on the course;
- (h) intended for the child care costs of a child dependant;
- (i) of higher education bursary for care leavers made under Part 3 of the Children Act 1989.

(3) Where a student does not have a student loan and is not treated as possessing such a loan, there must be excluded from the student's grant income—

- (a) the sum of £303 **(a)** per academic year in respect of travel costs; and
- (b) the sum of £390 **(a)** per academic year towards the costs of books and equipment, whether or not any such costs are incurred.

(4) There must also be excluded from a student's grant income the grant for dependants known as the parents' learning allowance paid pursuant to regulations made under Article 3 of the Education (Student Support) (Northern Ireland) Order 1998 or section 22 of the Teaching and Higher Education Act 1998.

(5) Subject to sub-paragraphs (6) and (7), a student's grant income must be apportioned—

- (a) subject to sub-paragraph (8), in a case where it is attributable to the period of study, equally between the weeks in that period beginning with the reduction week, the first day of which coincides with, or immediately follows, the first day of the period of study and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the period of study;
- (b) in any other case, equally between the weeks in the period beginning with the reduction week, the first day of which coincides with, or immediately follows, the first day of the period for which it is payable and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the period

for which it is payable.

(a) or different if updated by the Secretary of State .

(6) Any grant in respect of dependants paid under section 63(6) of the Health Services and Public Health Act 1968 (grants in respect of the provision of instruction to officers of hospital authorities) and any amount intended for the maintenance of dependants under Part 3 of Schedule 2 to the Education (Mandatory Awards) Regulations 2003 must be apportioned equally over the period of 52 weeks or, if there are 53 reduction weeks (including part-weeks) in the year, 53.

(7) In a case where a student is in receipt of a student loan or where he could have acquired a student loan by taking reasonable steps but had not done so, any amount intended for the maintenance of dependants to which neither sub-paragraph (6) nor paragraph 80(2) (other amounts to be disregarded) applies, must be apportioned over the same period as the student's loan is apportioned or, as the case may be, would have been apportioned.

(8) In the case of a student on a sandwich course, any periods of experience within the period of study must be excluded and the student's grant income must be apportioned equally between the weeks in the period beginning with the reduction week, the first day of which immediately follows the last day of the period of experience and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the period of study.

#### **61. Calculation of covenant income where a contribution is assessed**

61.—(1) Where a student is in receipt of income by way of a grant during a period of study and a contribution has been assessed, the amount of his covenant income to be taken into account for that period and any summer vacation immediately following must be the whole amount of the covenant income less, subject to sub-paragraph (3), the amount of the contribution.

(2) The weekly amount of the student's covenant must be determined—

(a) by dividing the amount of income which falls to be taken into account under sub-paragraph (1)

by 52 or 53, whichever is reasonable in the circumstances; and

(b) by disregarding £5(a) from the resulting amount.

(3) For the purposes of sub-paragraph (1), the contribution must be treated as increased by the amount (if any) by which the amount excluded under paragraph 60(2)(g) falls short of the amount specified in paragraph 7(2) of Schedule 2 to the Education (Mandatory Awards) Regulations 2003 (travel expenditure).

#### **62. Covenant income where no grant income or no contribution is assessed**

62.—(1) Where a student is not in receipt of income by way of a grant the amount of his covenant income must be calculated as follows—

- (a) any sums intended for any expenditure specified in paragraph 60(2)(a) to (e) necessary as a result of his attendance on the course must be disregarded;
- (b) any covenant income, up to the amount of the standard maintenance grant, which is not so disregarded, must be apportioned equally between the weeks of the period of study;
- (c) there must be disregarded from the amount so apportioned the amount which would have been disregarded under paragraph 60(2)(f) and (3) had the student been in receipt of the standard maintenance grant; and
- (d) the balance, if any, must be divided by 52 or 53 whichever is reasonable in the circumstances and treated as weekly income of which £5 (a) must be disregarded.

(2) Where a student is in receipt of income by way of a grant and no contribution has been assessed, the amount of his covenanted income must be calculated in accordance with paragraphs (a) to (d) of sub-paragraph (1), except that—

- (a) the value of the standard maintenance grant must be abated by the amount of such grant income less an amount equal to the amount of any sums disregarded under paragraph 60(2)(a) to (e); and
- (b) the amount to be disregarded under sub-paragraph (1)(c) must be abated by an amount equal to the amount of any sums disregarded under paragraph 60(2)(f) and (g) and (3).

- (a) or different if updated by the Secretary of State .

### **63. Relationship with amounts to be disregarded under Schedule 4**

63. No part of a student's covenant income or grant income is to be disregarded under paragraph 19 of Schedule 4 (disregard of certain charitable and voluntary, etc., payments).

### **64. Other amounts to be disregarded**

64.—(1) For the purposes of ascertaining income other than grant income, covenant income and loans treated as income in accordance with paragraph 65 (treatment of student loans), any amounts intended for any expenditure specified in paragraph 60(2) (calculation of grant income), necessary as a result of his attendance on the course must be disregarded.

(2) But sub-paragraph (1) applies only if, and to the extent that, the necessary expenditure exceeds or is likely to exceed the amount of the sums disregarded under paragraph 60(2) or (3), 61(3), 62(1)(a) or (c) or 65(5) (calculation of grant income, covenant income and treatment of student loans) on like expenditure.

### **65. Treatment of student loans**

65.—(1) A student loan is to be treated as income.

(2) In calculating the weekly amount of the loan to be taken into account as income—

(a) in respect of a course that is of a single academic year's duration or less, a loan which is payable in respect of that period is to be apportioned equally between the weeks in the period beginning with—

(i) except in a case where sub-paragraph (ii) applies, the reduction week, the first day of which coincides with, or immediately follows, the first day of the single academic year;

(ii) where the student is required to start attending the course in August or where the course is less than an academic year's duration, the reduction week, the first day of which coincides with, or immediately follows, the first day of the course, and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the course;

(b) in respect of an academic year of a course which starts other than on 1st September, a loan which is payable in respect of that academic year is to be apportioned equally between the weeks in the period—

(i) beginning with the reduction week, the first day of which coincides with or immediately follows, the first day of that academic year, and

(ii) ending with the reduction week, the last day of which coincides with or immediately precedes, the last day of that academic year, but excluding any reduction weeks falling entirely within the quarter during which, in the opinion of the authority, the longest of any vacation is taken and for the purposes of this paragraph, "quarter" has the same meaning as for the purposes of the Education (Student Support) Regulations 2005;

(c) in respect of the final academic year of a course (not being a course of a single year's duration), a loan which is payable in respect of that final academic year is to be apportioned equally between the weeks in the period beginning with—

(i) except in a case where sub-paragraph (ii) applies, the reduction week, the first day of which coincides with, or immediately follows, the first day of that academic year;

(ii) where the final academic year starts on 1st September, the reduction week, the first day of which coincides with, or immediately follows, the earlier of 1st September or the first day of the autumn term, and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the course;

(d) in any other case, the loan is to be apportioned equally between the weeks in the period

beginning with the earlier of—

(i) the first day of the first reduction week in September; or

(ii) the reduction week, the first day of which coincides with, or immediately follows the first day of the autumn term, and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of June, and, in all cases, from the weekly amount so apportioned £10(a) is to be disregarded.

(3) A student is to be treated as possessing a student loan in respect of an academic year where—

- (a) a student loan has been made to him in respect of that year; or
- (b) he could acquire such a loan in respect of that year by taking reasonable steps to do so.

(4) Where a student is treated as possessing a student loan under sub-paragraph (3), the amount of the student loan to be taken into account as income must be, subject to sub-paragraph (5)—

(a) in the case of a student to whom a student loan is made in respect of an academic year, a sum equal to—

- (i) the maximum student loan he is able to acquire in respect of that year by taking reasonable steps to do so; and
- (ii) any contribution whether or not it has been paid to him;

(b) in the case of a student to whom a student loan is not made in respect of an academic year, the maximum student loan that would be made to the student if—

- (i) he took all reasonable steps to obtain the maximum student loan he is able to acquire in respect of that year; and
- (ii) no deduction in that loan was made by virtue of the application of a means test.

(5) There must be deducted from the amount of income taken into account under sub-paragraph

(4)—

- (a) the sum of £303(a) per academic year in respect of travel costs; and
- (b) the sum of £390(a) per academic year towards the cost of books and equipment, whether or not any such costs are incurred.

(6) A loan for fees, known as a fee loan or a fee contribution loan, made pursuant to regulations made under Article 3 of the Education (Student Support) (Northern Ireland) Order 1998, section 22 of the Teaching and Higher Education Act 1998 or section 73(f) of the Education (Scotland) Act 1980, shall be disregarded as income.

## **66. Treatment of payments from access funds**

66.—(1) This paragraph applies to payments from access funds that are not payments to which paragraph 69(2) or (3) (income treated as capital) applies.

(2) A payment from access funds, other than a payment to which sub-paragraph (3) applies, must be disregarded as income.

(3) Subject to sub-paragraph (4) of this paragraph and paragraph 40 of Schedule 4

(disregards in the calculation of income other than earnings: persons who are not pensioners)—

(a) any payments from access funds which are intended and used for an item of food, ordinary clothing or footwear, household fuel, or rent of a single applicant or, as the case may be, of the applicant or any other member of his family, and

(b) any payments from access funds which are used for any council tax or water charges for which that applicant or member is liable, must be disregarded as income to the extent of £20 (a) per week.

(a) or different if uprated by the Secretary of State

(4) Where a payment from access funds is made—

(a) on or after 1st September or the first day of the course, whichever first occurs, but before receipt of any student loan in respect of that year and that payment is intended for the purpose of bridging the period until receipt of the student loan; or

(b) before the first day of the course to a person in anticipation of that person becoming a student, that payment must be disregarded as income.

### **67. Disregard of contribution**

67. Where the applicant or his partner is a student and, for the purposes of assessing a contribution to the student's grant or student loan, the other partner's income has been taken into account, an amount equal to that contribution must be disregarded for the purposes of assessing that other partner's income.

### **68. Further disregard of student's income**

68. Where any part of a student's income has already been taken into account for the purposes of assessing his entitlement to a grant or student loan, the amount taken into account must be disregarded in assessing that student's income.

### **69. Income treated as capital**

69.—(1) Any amount by way of a refund of tax deducted from a student's covenant income must be treated as capital.

(2) An amount paid from access funds as a single lump sum must be treated as capital

(3) An amount paid from access funds as a single lump sum which is intended and used for an item other than food, ordinary clothing or footwear, household fuel or rent, or which is used for an item other than any council tax or water charges for which that applicant or member is liable, must be disregarded as capital but only for a period of 52 weeks from the date of the payment.

### **70. Disregard of changes occurring during summer vacation**

70. In calculating a student's income the authority must disregard any change in

the standard maintenance grant, occurring in the recognised summer vacation appropriate to the student's course, if that vacation does not form part of his period of study from the date on which the change occurred to the end of that vacation.

## Part 11 - Extended reductions

(a) the amount of reduction under this scheme to which the applicant was entitled by virtue of falling within any of classes D to G in the last reduction week before the applicant or the applicant's partner ceased to be entitled to a qualifying contributory benefit;

- (b) the amount of reduction under this scheme to which the applicant would be entitled by virtue of falling within any of classes D to G for any reduction week during the extended reduction period, if paragraph 100 (extended reductions (qualifying contributory benefits): persons who are not pensioners) did not apply to the applicant; or
- (c) the amount of reduction under this scheme to which the applicant's partner would be entitled by virtue of falling within any of classes D to G, if paragraph 77 did not apply to the applicant.

(2) Sub-paragraph (1) does not apply in the case of a mover.

(3) Where an applicant is in receipt of an extended reduction (qualifying contributory benefits) under this paragraph and the applicant's partner makes an application for a reduction under this scheme, no amount of reduction may be allowed by the appropriate authority during the extended reduction period.

### **80. Extended reductions(qualifying contributory benefits)—movers: persons who are not pensioners**

80.—(1) This paragraph applies—

- (a) to a mover; and
- (b) from the Monday following the day of the move.

(2) The amount of the extended reduction (qualifying contributory benefit) payable from the Monday from which this paragraph applies until the end of the extended reduction period is to be the amount of reduction under this scheme which was awarded to the mover for the last reduction week before the mover, or the mover's partner, ceased to be entitled to a qualifying contributory benefit.

(3) Where a mover's liability to pay council tax in respect of the new dwelling is to a second authority, the extended reduction (qualifying contributory benefits) may take the form of a payment from this authority to—

- (a) the second authority; or
- (b) the mover directly.

### **81. Relationship between extended reduction (qualifying contributory benefits) and entitlement to reduction by virtue of classes D and G**

81.—(1) Where an applicant's reduction under this scheme would have ended when the applicant ceased to be entitled to a qualifying contributory benefit in the circumstances listed in paragraph 77(1)(b), that reduction does not cease until the end of the extended reduction period.

(2) Paragraphs 83 and 84 (dates on which entitlement begins and change of circumstances take effect) do not apply to any extended reduction (qualifying contributory benefits) payable in accordance with paragraph 79(1)(a) or 80(2) (amount of extended reduction—movers: persons who are not pensioners).

## Chapter 2

### **Extended reductions: movers in the authority's area**

#### **82. Extended reductions: applicant moving into the authority's area**

82. Where—

(a) an application is made to the authority (“the current authority”) for a reduction under this scheme, and

(b) the applicant, or the partner of the applicant, is in receipt of an extended reduction from—

(i) another billing authority in England; or

(ii) a billing authority in Wales,

the current authority must reduce any reduction to which the applicant is entitled under this scheme by the amount of that extended reduction.

## Part 12 - When entitlement begins and change of circumstances

#### **83. Date on which entitlement begins**

83.—(1) Subject to sub-paragraph (2), any person by whom or in respect of whom an application for a reduction under this scheme is made and who is otherwise entitled to that reduction is so entitled from the reduction week following the date on which that application is made or is treated as made.

(2) Where a person is otherwise entitled to a reduction under this scheme and becomes liable for the first time for the authority's council tax in respect of a dwelling of which he is a resident in the reduction week in which his application is made or is treated as made, he is so entitled from that reduction week.

#### **84. Date on which change of circumstances is to take effect**

84.—(1) Except in cases where paragraph 44 (disregard of changes in tax, contributions, etc.) applies a change of circumstances which affects entitlement to, or the amount of, a reduction under this scheme (“change of circumstances”), takes effect from the first day of the reduction week following the date on which the change actually occurs.

(2) Where that change is cessation of entitlement to any benefit under the benefit Acts, the date on which the change actually occurs is the day immediately following the last day of entitlement to that benefit.

(3) Subject to sub-paragraph (4), where the change of circumstances is a change in the amount of council tax payable, it takes effect from the day on which it actually occurs.

(4) Where the change of circumstances is a change in the amount a person is liable to pay in respect of council tax in consequence of regulations under section 13 of the 1992 Act (reduced amounts of council tax) or changes in the discount to which a dwelling may be subject under section 11 or 11A of that Act (discounts), it takes effect from the day on which the change in amount has effect.

(5) Where the change of circumstances is the applicant's acquisition of a partner, the change takes effect on the day on which the acquisition takes place.

(6) Where the change of circumstances is the death of an applicant's partner or their separation, it takes effect on the day the death or separation occurs.

(7) If two or more changes of circumstances occurring in the same reduction week would, but for this paragraph, take effect in different reduction weeks in accordance with sub-paragraphs (1) to (6) they take effect from the day to which the appropriate sub-paragraph from (3) to (6) above refers, or, where more than one day is concerned, from the earlier day.

(8) Where the change of circumstances is that income, or an increase in the amount of income, other than a benefit or an increase in the amount of a benefit under the SSCBA, is paid in respect of a past period and there was no entitlement to income of that amount during that period, the change of circumstances takes effect from the first day on which such income, had it been paid in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of this scheme.

(9) Without prejudice to sub-paragraph (8), where the change of circumstances is the payment of income, or arrears of income, in respect of a past period, the change of circumstances takes effect from the first day on which such income, had it been timeously paid in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of this scheme.

(10) Sub-paragraph (11) applies if—

(a) either—

(i) a non-dependant took up residence in the applicant's dwelling; or

(ii) there has been a change of circumstances in respect of a non-dependant so that the amount of the deduction which falls to be made under paragraph 30 increased.

(11) Where this sub-paragraph applies, the change of circumstances referred to in sub-paragraph

(10)(b) takes effect from the effective date.

(12) In sub-paragraph (11), but subject to sub-paragraph (13), "the effective date" means—

(a) where more than one change of a kind referred to in sub-paragraph (10)(b) relating to the same non-dependant has occurred since—

(i) the date on which the applicant's entitlement to a reduction under this scheme first began; or

(ii) the date which was the last effective date in respect of such a change, whichever is the later,  
the date which falls 26 weeks after the date on which the first such change occurred;  
(b) where paragraph (a) does not apply, the date which falls 26 weeks after the date on which the change referred to in sub-paragraph (10)(b) occurred.

(13) If in any particular case the date determined under sub-paragraph (12) is not the first day of a reduction week, the effective date in that case is to be the first day of the next reduction week to commence after the date determined under that sub-paragraph.

## Part 13 - Applications (including duties to notify authority of change of circumstances)

### 85. Making an application

85.—(1) In the case of—

(a) a couple or (subject to paragraph (b)) members of a polygamous marriage an application is to be made by whichever one of them they agree should so apply or, in default of agreement, by such one of them as the authority determines; or

(b) in the case of members of a polygamous marriage to whom paragraph 30 (income and capital: award of universal credit) applies, an application is to be made by whichever one of the parties to the earliest marriage that still subsists they agree should so apply or, in default of agreement, by such one of them as the authority determines.

(2) Where a person who is liable to pay council tax in respect of a dwelling is unable for the time being to act, and—

(a) a deputy has been appointed by the Court of Protection with power to claim, or as the case may be, receive benefit on his behalf; or

(b) in Scotland, his estate is being administered by a judicial factor or any guardian acting or appointed under the Adults with Incapacity (Scotland) Act 2000 who has power to apply or, as the case may be, receive benefit on his behalf; or

(c) an attorney with a general power or a power to apply or, as the case may be, receive benefit, has been appointed by that person under the Powers of Attorney

Act 1971 : the Enduring Powers of Attorney Act 1985 or the Mental Capacity Act 2005 or otherwise, that deputy, judicial factor, guardian or attorney, as the case may be, may make an application on behalf of that person.

(3) Where a person who is liable to pay council tax in respect of a dwelling is unable for the time being to act and sub-paragraph (2) does not apply to him, the authority may, upon written application made to them by a person who, if a natural person, is over the age of 18, appoint that person to exercise on behalf of the person who is unable to act, any right to which that person might be entitled under this scheme and to receive and deal on his behalf with any sums payable to him.

(4) Where a person who is liable to pay council tax in respect of a dwelling is for the time being unable to act and the Secretary of State has appointed a person to act on his behalf under regulation 33 of the Social Security (Claims and Payments) Regulations 1987 (persons unable to act), the authority may if that person agrees, treat him as if he had been appointed by them under sub-paragraph (3).

(5) Where the authority has made an appointment under sub-paragraph (3) or treated a person as an appointee under sub-paragraph (4)—

- (a) it may at any time revoke the appointment;
- (b) the person appointed may resign his office after having given 4 weeks notice in writing to the authority of his intention to do so;
- (c) any such appointment must terminate when the authority is notified of the appointment of a person mentioned in sub-paragraph (2).

(6) Anything required by this scheme to be done by or to any person who is for the time being unable to act may be done by or to the persons mentioned in sub-paragraph (2) above or by or to the person appointed or treated as appointed under this paragraph and the receipt of any such person so appointed shall be a good discharge to the authority for any sum paid.

(7) The authority must—

- (a) inform any person making an application of the duty imposed by paragraph 115(1)(a);
- (b) explain the possible consequences (including prosecution) of failing to comply with that duty; and
- (c) set out the circumstances a change in which might affect entitlement to the reduction or its amount.

## **86. Date on which an application is made**

86.—(1) Subject to sub-paragraph (7), the date on which an application is made is—

- (a) in a case where—
  - (ii) the applicant becomes liable for the first time to pay council tax in respect of the dwelling which he occupies as his home, and
  - (iii) the application to the authority is received at the designated office within one

month of the date of the change, the date on which the change takes place;

(c) in a case where—

(i) an award of income support, an income-based jobseeker's allowance or an income-related employment and support allowance or an award of universal credit has been made to the applicant or his partner, and

(ii) the application is made within one month of the date on which the claim for that income support, jobseeker's allowance, employment and support allowance or universal credit was received,

the first day of entitlement to income support, an income-based jobseeker's allowance, an income-related employment and support allowance or universal credit arising from that claim;

(d) in a case where—

(i) an applicant or his partner is a person on income support, an income-based jobseeker's allowance or an income-related employment and support allowance or has an award of universal credit,

(ii) the applicant becomes liable for the first time to pay council tax in respect of the dwelling which he occupies as his home, and

(iii) the application to the authority is received at the designated office within one month of the date of the change, the date on which the change takes place;

(e) in a case where—

(i) the applicant is the former partner of a person who was, at the date of his death or their separation, entitled to a reduction under this scheme, and

(ii) where the applicant makes an application for a reduction under this scheme within one month of the date of the death or the separation, the date of the death or separation;

(f) except where paragraph (a), (b) or (e) is satisfied, in a case where a properly completed

application is received within one month (or such longer period as the authority considers reasonable) of the date on which an application form was issued to the applicant following the applicant first notifying, by whatever means, the authority of an intention to make an application, the date of first notification;

in any other case, the date on which the application is received at the designated office.

(2) For the purposes only of sub-paragraph (1)(c) a person who has been awarded an income based jobseeker's allowance or an income-related employment and support allowance is to be treated as entitled to that allowance for any days which immediately precede the first day in that award and on which he would, but for regulations made under—

(a) in the case of income-based jobseeker's allowance, paragraph 4 of Schedule 1 to the Jobseekers Act 1995 (waiting days); or

(b) in the case of income-related employment and support allowance, paragraph 2 of Schedule 2 to the Welfare Reform Act 2007 (waiting days), have been entitled to that allowance.

(3) Where the defect referred to in paragraph 3 of Schedule 1 to this scheme (application by telephone)—

(a) is corrected within one month (or such longer period as the authority considers reasonable) of the date the authority last drew attention to it, the authority must treat the application as if it had been duly made in the first instance;

(b) is not corrected within one month (or such longer period as the authority considers reasonable) of the date the authority last drew attention to it, the authority must treat the application as if it had been duly made in the first instance where it considers it has sufficient information to decide on the application.

(4) The authority is to treat a defective application as if it had been validly made in the first instance if, in any particular case, the conditions specified in subparagraph (5)(a), (b) or (c) are satisfied.

(5) The conditions are that—

(a) where paragraph 4(a) of Schedule 1 (incomplete form) applies, the authority receives at its designated office the properly completed application or the information requested to complete it or the evidence within one month of the request, or such longer period as the authority may consider reasonable; or

(b) where paragraph 4(b) of Schedule 1 (application not on approved form or further

information requested by authority) applies—

(i) the approved form sent to the applicant is received at the designated office properly completed within one month of it having been sent to him; or, as the case may be,

(ii) the applicant supplies whatever information or evidence was requested under paragraph 4 of that Schedule within one month of the request, or, in either case, within such longer period as the authority may consider reasonable; or

(c) where the authority has requested further information, the authority receives at its designated office the properly completed application or the information requested to complete it within one month of the request or within such longer period as the authority considers reasonable.

(6) Except in the case of an application made by a person treated as not being in Great Britain, where a person has not become liable for council tax to the authority but it is anticipated that he will become so liable within the period of 8 weeks (the relevant period), he may apply for a reduction under this scheme at any time in that period in respect of that tax and, provided that liability arises within the relevant period, the authority is to treat the application as having been made on the day on which the liability for the tax arises.

(7) Except in the case of an application made by a person treated as not being in Great Britain, where the applicant is not entitled to a reduction under this

scheme in the reduction week immediately following the date of his application but the authority is of the opinion that unless there is a change of circumstances he will be entitled to a reduction under this scheme for a period beginning not later than—

(a) in the case of an application made by—

(i) a pensioner, or

(ii) a person who has attained, or whose partner has attained, the age which is 17 weeks younger than the qualifying age for state pension credit, the seventeenth reduction week following the date on which the application is made, or

(b) in the case of an application made by a person who is not a pensioner, the thirteenth reduction week following the date on which the application is made, the authority may treat the application as made on a date in the reduction week immediately preceding the first reduction week of that period of entitlement and award a reduction accordingly.

(8) In this paragraph “appropriate DWP office” means an office of the Department for Work and Pensions dealing with state pension credit or an office which is normally open to the public for the receipt of claims for income support, a jobseeker’s allowance or an employment and support allowance.

## **87. Back-dating of applications: persons who are not pensioners**

(b) from a day in that period, up to the date he made the application (or subsequently requested that the application should include a past period), the applicant had continuous good cause for failing to make an application (or request that the application should include that period),  
the application is to be treated as made on the date determined in accordance with sub-paragraph (2).

(2) That date is the latest of—

(a) the first day from which the applicant had continuous good cause;

(b) the day one month before the date the claim was made;

(c) the day one month before the date when the applicant requested that the application should include a past period.

## **88. Information and evidence**

88.—(1) Subject to sub-paragraph (3), a person who makes an application for a reduction under this scheme must satisfy sub-paragraph (2) in relation both to himself and to any other person in respect of whom he is making the application.

(2) This sub-paragraph is satisfied in relation to a person if—

(a) the application is accompanied by—

(5) Nothing in this paragraph requires a person to furnish any certificates, documents, information or evidence relating to a payment to which sub-paragraph (7) applies.

(6) Where a request is made under sub-paragraph (4), the authority must—

(a) inform the applicant or the person to whom a reduction under this scheme has been awarded of his duty under paragraph 115 (duty to notify change of circumstances) to notify the authority of any change of circumstances; and

(b) without prejudice to the extent of the duty owed under paragraph 115, indicate to him either orally or by notice or by reference to some other document available to him on application and without charge, the kind of change of circumstances which is to be notified.

(7) This sub-paragraph applies to any of the following payments—

(a) a payment which is—

(8) Where an applicant or a person to whom a reduction under this scheme has been awarded or any partner has attained the qualifying age for state pension credit and is a member of, or a person deriving entitlement to a pension under, a personal pension scheme, he must where the authority so requires furnish the following information—

(a) the name and address of the pension fund holder ;

## **89. Amendment and withdrawal of application**

89.—(1) A person who has made an application may amend it at any time before a decision has been made on it by a notice in writing delivered or sent to the designated office.

(2) Where the application was made by telephone in accordance with Part 1 of Schedule 1, the amendment may also be made by telephone.

(3) Any application amended in accordance with sub-paragraph (1) or (2) is to be treated as if it had been amended in the first instance.

(4) A person who has made an application may withdraw it by notice to the designated office at any time before a decision has been made on it.

(5) Where the application was made by telephone in accordance with Part 1 of Schedule 1, the withdrawal may also be made by telephone.

(6) Any notice of withdrawal given in accordance with sub-paragraph (4) or (5) has effect when it is received.

(7) Where a person, by telephone, amends or withdraws an application the person must (if required to do so by the authority) confirm the amendment or withdrawal by a notice in writing delivered or sent to the designated office.

## **90. Duty to notify changes of circumstances**

90.—(1) Subject to sub-paragraphs (3) and (9), the applicant (or any person acting on his behalf) must comply with sub-paragraph (2) if there is a relevant change of circumstances at any time—

- (a) between the making of an application and a decision being made on it, or
- (b) after the decision is made (where the decision is that the applicant is entitled to a                    reduction under this scheme) including at any time while the applicant is in receipt of such a reduction.

(2) The applicant (or any person acting on his behalf) must notify any change of circumstances which the applicant (or that person) might reasonably be expected to know might affect his entitlement to, or the amount of, a reduction under this scheme (a “relevant change of circumstances”) by giving notice to the authority—

- (a) in writing; or
- (b) by telephone—
  - (i) where the authority has published a telephone number for that purpose or for the                    purposes of Part 1 of Schedule 1 unless the authority determines that in any particular case or class of case notification may not be given by telephone; or
  - (ii) in any case or class of case where the authority determines that notice may be given by telephone; or
- (c) by any other means which the authority agrees to accept in any particular case, within a period of 21 days beginning with the day on which the change occurs, or as soon as reasonably practicable after the change occurs, whichever is later.

- (b) changes in the age of the applicant or that of any member of his family;
- (c) in the case of an applicant in receipt of a relevant benefit, changes in circumstances which                    affect the amount of the benefit but not the amount of the reduction under this scheme to which he is entitled, other than the cessation of that entitlement to the benefit.

(4) For the purposes of sub-paragraph (3)(c) “relevant benefit” means income support, an income-based jobseeker’s allowance or an income-related employment and support allowance or universal credit.

(5) Notwithstanding sub-paragraph (3)(b) or (c) an applicant is required by sub-paragraph (1) to notify the authority of any change in the composition of his family arising from the fact that a person who was a member of his family is now no longer such a person because he has ceased to be a child or young person.

(6) The duty imposed on a person by sub-paragraph (1) includes—  
(a) in the case of a person falling within class C (pensioners: alternative maximum council tax reduction) giving written notice to the authority of changes which occur in the number of adults in the dwelling or in their total gross incomes and, where any such adult ceases to be in receipt of state pension credit, the date when this occurs;

(8) In addition to the changes required to be reported under sub-paragraph (7), a person whose state pension credit comprises only the savings credit must also report—

- (a) changes affecting a child living with him which may result in a change in the amount of reduction under this scheme allowed in his case, but not changes in the age of the child;

- (c) any change in the income or capital of—
  - (i) a non-dependant whose income and capital are treated as belonging to the applicant in accordance with paragraph 29 (circumstances in which income of a non-dependant is to be treated as applicant's);and whether such a person or, as the case may be, non-dependant stops living or begins or resumes living with the applicant.

(9) A person who is entitled to a reduction under this scheme and on state pension credit need only report to the authority the changes specified in sub-paragraphs (7) and (8).

## Part 14 - Decisions by authority

### 91. Decision by authority

91. The authority must make a decision on an application for a reduction under this scheme within 14 days of paragraphs 86 and 88 and Part 1 of Schedule 1 being satisfied, or as soon as reasonably practicable thereafter.

### 92. Notification of decision

92.—(1) The authority must notify in writing any person affected by a decision made by it under this scheme—

(a) in the case of a decision on an application, forthwith or as soon as reasonably practicable thereafter;

(a) informing the person affected of the duty imposed by paragraph 91(1)(b) (notify changes) ;

(b) explaining the possible consequences (including prosecution) of failing to comply with that duty; and

(c) setting out the circumstances a change in which might affect entitlement to the reduction or its amount.

(3) Where the decision is to award or adjust a reduction, the notification under sub-paragraph (1) must include a statement as to how that entitlement or reduction in entitlement is to be discharged. The statement will be separate to the adjusted Council Tax demand notice but sent together with that notice wherever possible. Any excess Council Tax reduction determined upon adjustment may be recovered by a Council Tax adjustment notice and recovered as Council Tax arrears.

(4) In any case, the notification under sub-paragraph (1) must inform the person affected of the procedure by which an appeal may be made and must refer the person to the provisions in this scheme relating to the procedure for making an appeal.

(5) A person affected to whom the authority sends or delivers a notification of decision may, within one month of the date of the notification of that decision request in writing the authority to provide a written statement setting out the reasons for its decision on any matter set out in the notice.

(6) The written statement referred to in sub-paragraph (5) must be sent to the person requesting it within 14 days or as soon as reasonably practicable thereafter.

(7) For the purposes of this paragraph a person is to be treated as a person

affected by a decision of the authority under this scheme where the rights, duties or obligations of that person are affected by that decision and the person falls within sub-paragraph (8).

(8) This sub-paragraph applies to—

(a) the applicant;

(b) in the case of a person who is liable to pay council tax in respect of a dwelling and is unable for the time being to act—

- (a) a person is entitled to a reduction under this scheme in respect of his liability for the authority's council tax as it has effect in respect of a financial year;
- (b) the person entitled to the reduction is jointly and severally liable for the council tax; and
- (c) the authority determines that discharging his entitlement by reducing the amount of his liability to which regulation 20(2) of the Council Tax (Administration and Enforcement) Regulations 1992 refers would be inappropriate, it may make a payment to him of the amount of reduction to which he is entitled, rounded where necessary to the nearest penny.

(2) Subject to sub-paragraph (3), any payment made under sub-paragraph (1) must be made to the person who is entitled to the reduction.

(3) Where a person other than the person who is entitled to the reduction under this scheme made the application for the reduction and that first person is a person acting pursuant to an appointment under paragraph 85(3) (persons appointed to act for a person unable to act) or is treated as having been so appointed by virtue of paragraph 85(5), the amount of the reduction may be paid to that person.
